ELCA World Hunger/God's Global Barnyard

Madagascar

Madagascar is an island nation with one of the largest Lutheran populations in the world. The Malagasy Lutheran Church places high priorities on evangelism, leadership development, and social ministry. **Theirs is an active, growing ministry** in a land facing some extreme difficulties of drought, very high infant mortality, lack of education and training opportunities for children and young women and elderly population facing hunger and isolation challenges. In partnership with the Malagasy Lutheran Church, your Gifts of Hope will help provide nourishment of body and spirit to elderly persons in impoverished neighborhoods, help underprivileged children get an elementary education, and help women get vocational training for jobs to sustain them and their families. Your Gifts of Hope will also provide medical training of nurses and midwives, programs helping expectant mothers, and operational support for Ejeda Hospital.
