NEW CITY PARISH

Teaching

Proclaiming

Healing

And who is my neighbor?"

(Luke 10:29)

To answer this question, our Lord Jesus Christ shared a parable that continues to this day to challenge, motivate, and empower his disciples.

Jesus calls us to suffer with our neighbors and work for the transformation of our communities and its individuals through teaching, preaching, and healing with compassion.

The work of the Spirit guides us to teach people to learn *how to think*, not *what to think*; to proclaim the nearness and presence of God's reign here and now, not just in some future time and place; and to heal at the source of disease and sickness, not just to cope with the symptoms.

The teaching, proclaiming, and healing ministry of NCP is a holistic and transformative work of the people of God, guided by the presence of the Holy Spirit.
