Hands & Hearts & Fair Trade

A Faith Path to Justice For People & Planet

Ten blocks of Fair Trade principles form the base. Colorful hands and hearts embracing these values were added by students and staff of Ascension’s School. All securely in Jesus’ hands.

Placed on the logo of Ascension's Fair Trade Lane, colorful hands and hearts from the children and staff of Ascension's Early Childhood Center and children, youth and adults of Ascension's Congregation, guide and welcome all.

Abundantly blessed by the Holy Spirit and our Ascension Community of Church, School and Foundation, we give thanks for inspiring, supporting, promoting and celebrating Fair Trade, a faith path to justice for people and planet.
