Welcome

Welcome to Ascension Lutheran Church (ALC)! We consider you to be a gift from God and look forward to working with you as a member of our ministry team. We appreciate you, the gifts and talents you bring to this ministry, and your commitment to achieving your highest level of service in this ministry.

As an employee, you represent this ministry in both your work life and private life. As a result, you are expected to always be sensitive to how others may see you biblically, spiritually, and ethically. We encourage you to strive toward living a life that is an example to others of your relationship with God through his Son, Jesus Christ.

Who We Are

The Church's mission statement is "Called to create opportunities for all people to become devoted followers of Christ." The motto is "Invite – Grow – Serve."

The ministry of Ascension Lutheran Church includes Ascension Lutheran School and Ascension Lutheran Foundation. The School was founded in 1964 as an outreach to the community and includes the Early Childhood Center (ALECC) that serves toddlers and preschoolers, the Infant Care Center for infants 3 months and older, and Ascension Lutheran School that includes Kindergarten through 8th grade. The Foundation was established in 1980. It protects funds made available through bequests, memorials, and gifts. It preserves the original gifts and provides perpetual income through investments which are used to fund ongoing financial support for the congregational, community and global / synodical needs of Ascension Lutheran Church.

Introduction

This employee handbook applies to all employees of Ascension Lutheran Church and is intended to provide guidelines and summary information about the Church's personnel policies, procedures, benefits and rules of conduct. Clergy and ELCA rostered personnel also are responsible to the Bishop of the Southwest California Synod. As such where terms of call conflict with this Employee Handbook, the terms of call will prevail.

It is important that you read, understand, and become familiar with the handbook and comply with the standards that have been established. Please speak with the Director of Administrative Ministries, also called the Church Director of Administrative Ministries, if you have any questions or need additional information.

The Church reserves the right to modify, supplement, rescind, or revise any provision, benefit or policy from time to time, with or without notice, as it deems necessary or appropriate.

Nothing in this handbook is intended to interfere with employees' rights protected by Section 7 of the National Labor Relations Act or other federal, state or local law to engage in concerted protected activity or to discuss the terms of their employment or working conditions with or on behalf of co-workers, or to bring such issues to the attention of management at any time.

SECTION I: EMPLOYMENT POLICIES

Employment at Will

Employment is with the mutual consent of the Church and the employee. As such, employment can be terminated by either the employer or the employee, at any time, for any reason or no reason at all, with or without notice.

Equal Employment Opportunity

In keeping with the Church's Christian values and heritage, the Church is committed to develop and implement a program of nondiscrimination. The Church subscribes to the principles of an equal opportunity employer and will recruit, interview, hire, classify, select for training, promote, demote, discipline, set rates of pay or other compensation, transfer, terminate, and recall on the basis of merit and qualification without regard to sex, race, color, or national or ethnic origin, or any other legally protected characteristic.

We expect all employees to show respect and sensitivity toward all other employees, and to demonstrate a commitment to the Church's equal opportunity objectives. If you observe a violation of this policy, you should report it immediately to the Director of Administrative Ministries.

Nothing in this equal employment opportunity policy statement in any way alters the principles set forth in The Constitution of the Evangelical Lutheran Church in America or the Constitution of Ascension Evangelical Lutheran Church of Thousand Oaks, CA. It is of the utmost importance, for the proper functioning and effectiveness of the ministry of Ascension Lutheran Church and School that all employees be professing Christians, committed to the principles stated in the Constitution of the Evangelical Lutheran Church in America and The Constitution of Ascension Evangelical Lutheran Church of Thousand Oaks, CA.

Immigration Reform and Control Act of 1986

The Church is committed to full compliance with the federal immigration laws and will not knowingly hire or continue to employ anyone who does not have the legal right to work in the United States. As an ongoing condition of employment, you will be required to provide documentation verifying your identity and legal authority to work in the United States.

The U.S. Immigration and Naturalization Service requires that the Church and candidates for employment provide specific information within three (3) days of commencing employment. Candidates for employment must complete Section 1 of Form I - 9 and provide the Church with specific documents to establish their identity and employment eligibility.

Please refer to the current I-9 Form provided by the Department of Homeland Security for a listing of identity and eligibility documents that can be used. Employees will not be allowed to continue employment without providing these identification and eligibility documents.

Any employee falsifying or providing false identification documents or social security numbers will be terminated (or will not be hired).

Criminal Records Summary Clearance

In keeping with legal requirements for all individuals working directly with minors in a church and school setting, a condition of employment at Ascension Lutheran Church is submittal to a Criminal Records Check and subsequent clearance. This procedure is conducted by the Ventura County Sheriff's Department on behalf of the Federal Bureau of Investigation and the Department of Justice. **No employee may begin active employment before the results of the Criminal Records Clearance have been received at the Church.**

Employment of Relatives

Relatives of employees will receive the same consideration as any other applicant for a job opening and will not be accorded preferential treatment in employment matters. Related employees may not be permitted to work in the same department or under the direct supervision of each other. Exceptions to this policy will be reviewed by the Church Council and decisions will be made, keeping the best interest of the Church as the focus of this decision.

Employment of Minors

The Church will fully comply with the Child Labor provisions of the Fair labor Standards Act and applicable state statutes, which govern the employment of minors.

SECTION II: COMPENSATION POLICIES

Days Worked in Church Year

Your scheduled work week or work hours may differ from those of other full-time or part-time employees depending on your area of ministry and the needs of the people involved in that ministry. Core time (that time during which everyone is expected to be at work—in the office or available by phone or e-mail) for full-time employees, except pastors, is from 9:00 a.m. – 2:30 p.m., or as established by your supervisor, Monday through Friday. Part-time employees' core time in the office will be determined by your supervisor and your work agreement. Each staff member should notify the office staff of their "office hours." Ascension Lutheran Church generally tries to be flexible in order to accommodate employees' needs, ***however flexible scheduling is a privilege that may be rescinded.*** The needs of those to whom we minister always come first. Please keep those needs in mind when requesting a change to your work schedule.

Exempt Staff

An employee's salary shall be based on a salary schedule which reflects the employee's level of education, training, and/or years of relevant work experience. Employee salary schedules are reviewed periodically and recommendations are made by senior staff to the Church Finance Committee through the budgeting process for any adjustments. Salaries may be affected by an employee's job performance or by the Church's financial situation. The church reserves the right to change or adjust the salary schedule in its sole and absolute discretion.

Nonexempt Staff

Pay scales are established for all hourly positions at the Church. Ascension senior staff will provide input on a periodic basis to the Ascension Lutheran Church Finance Committee through the budgeting process regarding recommended adjustments to those salary scales. Hourly rates may be affected by an employee's job performance or by the Church's financial situation. The Church reserves the right to change or adjust the pay scales in its sole and absolute discretion.

Payday

Employees are paid on a biweekly basis. Exempt employees' annual income is divided by 26 pay periods. Paydays are normally every other Thursday. Non-exempt employees are paid only for time worked and must submit a time sheet on a biweekly basis. Exempt employees need not submit time sheets. Employees have the option to have their pay directly deposited into their bank accounts. If you choose this option, each paycheck will be automatically deposited to your checking or savings account (or divided between the two) as you choose. You will have access to your paystubs and payroll information through a website supported by our payroll processing company. No trips to the bank are necessary because your salary appears in your bank account on payday, or in some cases the night before. Direct Deposit will be initiated one pay period following the receipt of the signed authorization form from the employee.

Payroll Deductions

The Church complies with all applicable state and federal regulations regarding the various payroll deductions that are required by law, such as federal income tax, state income tax, and social security taxes. An employee's share of the health coverage premium will also be a payroll deduction. Any other deduction from your paycheck must be authorized by you, in writing.

Each of your paycheck stubs will itemize any amounts that have been withheld from your check. It is important that you keep this information for tax purposes. If you have any questions about your deductions, please talk to the Finance Director.

The Church complies with applicable state and federal laws regarding the garnishment and assignment of wages.

Overtime

From time to time, you may be asked to work beyond your normally scheduled hours or on a regularly scheduled day off. Non-exempt employees are not allowed to work overtime unless it has been approved in advance by your supervisor. When non-exempt employees are asked to work overtime (*i.e.*, over eight (8) hours in one calendar day or over 40 hours in one work week, or on a seventh consecutive day of work in a single work week), they will receive overtime pay, in accordance with state and federal law. Exempt employees are not covered by the overtime provisions of state and federal law and are, therefore, not eligible for overtime pay. The workweek is defined as Monday through Sunday. The work day is defined as midnight through 11:59 pm each day

Notice of Pay and Other Details

The Church shall provide each non-exempt employee, at the time of hire, with a notice that specifies (1) the pay rate and the basis, whether hourly, salary, commission or otherwise, as well as any overtime rate, (2) allowances, if any, claimed as part of the minimum wage, including meals or lodging, (3) the regular payday, (4) the name of the employer, including any "doing business as" names used by the employer; (5) the physical address and telephone number of the employer's main office or principal place of business, and a mailing address if different, (6) the name, address and telephone number of the employer's workers' compensation carrier, and (7) that employee may accrue and use sick leave, has a right to request and use accrued paid sick leave, may not be terminated or retaliated against for using or requesting the use of accrued paid sick leave, and has the right to file a complaint against the Church if it violates these rights. The Church shall notify each non-exempt employee in writing of any changes to the information set forth in the notice within 7 days of the changes, unless such changes are elsewhere reflected on a timely wage statement or other writing required by law to be provided.

SECTION III: PERSONNEL STATUS

Classifications of Employment

- Full-Time: You are considered to be a full-time employee if you are generally scheduled to work at least 32 hours each work week.

- Part-Time: You are considered to be a part-time employee if you are generally scheduled to work less than 32 hours each work week. Part time employees who regularly work 30 hours per week are eligible for health care. Part Time employees are not eligible for retirement or other benefits unless specifically set forth in this handbook otherwise.

- Temporary Employees: You are considered a temporary employee if your offer letter states a hire date and end date. Although still subject to the at will nature of your employment, there is a maximum time frame understood by both parties. As such, temporary employees are not eligible for health, retirement or other benefits unless specifically set forth in this handbook otherwise.

Exempt and Nonexempt Classifications

The Church will classify employees as exempt or nonexempt in accordance with relevant state and federal law. Nonexempt employees are expected to confine their work to the agreed upon workday and work week unless the direct supervisor authorizes overtime in advance. Nonexempt employees will be paid overtime for all authorized hours worked in excess of forty (40) hours in a workweek and eight (8) hours in a workday in accordance with State law. The hours worked by some exempt employees are often irregular and begin and end beyond the normal workday. Exempt employees are exempt from the overtime provisions of the federal and California wage and hour laws and thus do not receive overtime pay.

Tardiness and Absences

It is important that employees work their assigned schedules as consistently as possible. Your attendance and punctuality are among the many factors that are considered as your performance is evaluated. If you are unable to report to work for any reason, you must call or text your absence to the staff office by 9:00 a.m. This will allow the staff to adequately respond to any calls for you and also allows time to arrange for someone to cover your responsibilities if necessary. It is your responsibility to keep the Church informed on a daily basis during a short-term absence and to provide medical verification when asked to do so.

Non-exempt employees are expected to be ready to begin work at the beginning of their scheduled shift. They are expected to begin work promptly at the end of their scheduled breaks and meal period. Except in an emergency, non-exempt employees must have their supervisor's permission to leave work before they are regularly scheduled to do so. Non-exempt employees are expected to remain on campus throughout their regularly scheduled workday, with the exception of their break. In the case of an emergency or personal necessity, employees may leave campus with the advance approval of their supervisor.

A tardy or absence is considered "excused" only when you call ahead of time and the tardy or absence is for a compelling reason. The Church reserves the right, at its sole discretion, to determine what constitutes a compelling reason. A tardy or absence for a non-compelling reason, and failing to call in according to Church policy, will be considered an "unexcused" absence. The Church considers unexcused tardiness and absence to be a serious problem. However, employees who are tardy or absent excessively or show a consistent pattern of absence, whether excused or unexcused, will be subject to disciplinary action up to and including possible termination.

If you do not call in or report to work for two consecutive workdays, you may be considered to have voluntarily quit your position.

Time Records – Signing In and Out

Non-exempt employees are required to fill out a time sheet and turn it in bi-weekly for their supervisor's signature. Timesheets must show time in and out from work, and time out and in for meal periods. Violations of this policy may result in disciplinary action, up to and including possible termination.

Break and Meal Periods

Non-exempt employees working more than five (5) hour shifts are authorized and permitted to take an unpaid, off-duty meal period for at least one-half (1/2) hour beginning prior to the end of the fifth (5th) hour of each workday. Non-exempt employees should not work through lunch. Non-exempt employees shall not be directed by the Church to work through lunch without payment of one-hour of premium pay in addition to payment for actual time worked. Non-exempt employees may waive their meal if they work no more than six (6) hours in a day.

All non-exempt employees working more than three and one half (3.5) hour shifts are authorized and permitted to take a paid ten (10) minute break or rest period during the first half of the work shift and during the second half of the work shift (i.e., one rest break for every four hours worked, or major fraction thereof). Your supervisor may occasionally reschedule your rest periods. Non-exempt employees are expected back at their workstation ready to start work at the end of each break and meal period.

Non-exempt employees are entitled to a second meal period if they work more than a ten (10) hour shift, with the second meal period beginning prior to the end of the tenth (10th) hour. However, non-exempt employees who work shifts of no more than 12 hours in a workday may voluntarily waive their right to their second meal period. To waive this right, non-exempt employees must sign a written agreement to this effect with the Church. Non-exempt employees shall not be coerced to sign such an agreement. After signing such an agreement, the employee may revoke the waiver at any time.

Personnel Records

It is important that the Church always has current information about you. Please let the Director of Administrative Ministries know immediately if you change your name, address, phone number, etc. If for some reason you need to change your name and/or social security number, you will be asked to provide original documentation authorizing the change.

The Church will maintain a file on each employee. From time to time information will be added to this personnel record regarding an individual's employment status with the Church. Personnel records are the property of the Church and will be treated the same as any other confidential Church information.

The following provisions apply with respect to the Church's standards for establishing, maintaining and handling employee personnel records:

All official records concerning an employee will be kept up to date and all employees shall promptly report all pertinent personal information and data changes to the Church.

Only the following individuals may have access to the file: An employee or former employee, or authorized representative may be permitted to inspect the employee's personnel file at a reasonable time, but in no event later than thirty (30) days after a request for inspection is made. The inspection shall take place in the presence of an authorized representative of the Church. An employee or former employee may request copies of materials within his or her personnel file. An employee may not remove materials from the file. An employee shall not have access to personnel records relating to the investigation of a possible criminal offense.

Upon reasonable notice, an employee or former employee will be entitled to copy payroll records and documents in the personnel file that the employee has signed.

SECTION IV: BENEFITS

Group Health Insurance Plan

Full-time employees will become eligible for enrollment in the Church's group health insurance plan (subject to the enrollment of rules of the insurance carrier) on the first day of the employee's employment. For full-time employees, the employee will pay a portion of the monthly premium to be designated by the Church and the Church will pay the remaining balance of the premium. Any dependent coverage chosen will be paid for in full by the employee. Please see plan documents for details.

Part-time employees regularly working less than 30 hours a week are not eligible for the Group Health Insurance Plan.

ELCA Retirement Plan

The ELCA Retirement Plan offers employees a defined contribution plan that can help employees achieve financial security for retirement during their working years. With a defined contribution plan, as Internal Revenue Code §403(b)(c) allows, the Church makes contributions to a retirement account in the employee's name. The employee can increase his or her retirement savings by making his or her own pretax contributions to the retirement account through payroll deductions. All contributions are pretax and tax-deferred. That means deferrals and earnings aren't taxed on the money in the retirement account until they are withdrawn (typically during retirement). Employees invest their retirement savings by picking an investment strategy that matches the employee's comfort level with potential risk and return. Investment earnings are also tax-deferred. Employees should see the plan documents for details.

Part-time employees are not eligible for the Retirement Plan.

Vacation

Earning Vacation - Full-time employees earn vacation time each month they are actively at work. Part -time employees working more than 20 hours per week will receive a pro-rated amount of vacation based on their normally scheduled hours each week. Full time vacation accrual is determined by the following schedule:

1st – 4th years	6.66 hours/month
5th – 9th years	10 hours/month
10 years +	13.33 hours/month

Please schedule your vacation with your supervisor as far in advance as possible.

Vacation time may only be used as accrued. Granting of vacation requests will be at the discretion of the Church. In addition, employees will not be allowed to take more than 40 hours of vacation at a time without Church approval, which may be withheld in the Church's sole and absolute discretion.

Employees with 1-9 years of time with the organization shall accrue vacation hours up to two years worth of accrual, and then no more vacation time will be accrued. Part time employees with 1-9 years of time with the organization shall accrue vacation hours proportionately, not to exceed double their yearly allowance. For example, if an employee has eighty (80) hours of vacation per year and he or she takes no vacation in that year, that employee will be able to carry over those eighty (80) hours to the next year and accrue an additional eighty (80) hours in that next year. However, if that employee does not take any of his or her accrued vacation days in that next year (i.e., one hundred sixty (160) hours are now accrued) no more vacation will be accrued until that employee takes some of his or her vacation, and then, only up to one hundred sixty (160) hours maximum.

Employees with 10+ years of time with the organization shall accrue vacation hours up to 240 hours of accrual and then no more vacation days will be accrued. Part time employees with 10+ years of time with the organization shall accrue vacation hours proportionately, not to exceed 6 weeks.

All accrued but unused vacation days, up to the above-referenced “accrual cap,” will carry over from year to year until used.

A paid Church holiday that falls during the vacation period will be considered as a paid holiday and not vacation time. This day of vacation may be taken at another time as approved.

An employee must work the regularly scheduled workdays before and after the paid vacation period or may be subject disciplinary action.

Job requirements will always have precedent over vacation schedules. Vacation shall be granted on a first come, first served basis.

Vacation may only be taken in minimum increments of four (4) hours.

Pay for vacation time will be at the employee's regular rate of pay. Paid vacation time will not be considered as time worked for the purpose of computing overtime for hourly employees.

Pay in lieu of unused accrued vacation will not be provided except upon separation from employment, unless the Church determines otherwise in its sole and absolute discretion. Employees may not take paid vacation before it has been earned.

Sick Pay

Full time employees are granted eighty (80) hours of paid sick leave during the calendar year. The benefit will be applied on the first payroll of the new calendar year and will be depleted as it is used throughout the year. Part-time employees are eligible to receive sick pay on a pro-rated basis, with a minimum grant of forty (40) hours of paid sick leave per year. In the first calendar year that you work at Ascension, the number of sick days you receive will be prorated according to when you start, but you will receive a minimum of forty (40) hours of paid sick leave per year and you will have at least 24 hours available by your 90th day of employment and 40 hours available by your 200th day of employment. Temporary employees who work for the Church for 30 or more days in a calendar year will also be granted forty (40) hours of paid sick leave per year, on their 30th day of employment, and again in the first payroll of the new calendar year, but such sick leave may not be used until the employee has completed 90 days of employment.

Sick pay may be taken in minimum increments of two (2) hours.

Any sick days that are not used by the end of the calendar year shall not be carried over to the new year.

Sick days shall not be lent to employees. Employees must provide reasonable advance notification, orally or in writing, of the need to use sick leave, if foreseeable. If the need to use sick leave is not foreseeable, employees must provide notice as soon as practicable. Employees may use sick leave whether or not they find someone to cover their work.

Sick leave shall be paid out at an employee's hourly wage. The hourly wage will be calculated in accordance with state law.

Sick leave may not be used for vacation or personal time off, but may be used for preventive care or the diagnosis, care or treatment of an existing health condition including, things like, medical or dental appointments, as well as a need for time off if you are the victim of a crime or abuse, including domestic violence, sexual assault, stalking or other violent crimes or abuses, bereavement, or reproductive loss leave. You may also use your annual earned sick leave to care for your injured or ill family member, including any of the following: spouse, child of any age, sibling, parent, registered domestic partner, grandparent, grandchild, a designated person, or any other family members specified by applicable law. A designated person is a person that you identify at the time you request to take paid sick leave. You are limited to one designated person designation per 12-month period.

Unused paid sick time will not be paid to employees upon separation of employment. However, if employees are rehired within one year, previously unused paid sick time shall be reinstated.

Holidays

Full time nonexempt employees shall receive holiday pay on the following holidays:

- New Year's Day
- Martin Luther King's Birthday
- President's Day
- Easter Monday – Half Day*
- Memorial Day
- Independence Day
- Labor Day
- Veterans' Day
- Thanksgiving
- Day after Thanksgiving
- Christmas Eve—Half Day*
- Christmas Day

In the event a scheduled holiday falls on a Saturday or Sunday ***or an employee's regularly scheduled day off***, the holiday will be observed on the calendar day designated by the Church. In order to receive holiday pay, employees must work the day prior to and day after the holiday or have an approved paid absence. If a holiday falls on an employee's regularly scheduled day off, the employee may be entitled, with approval, to take another regularly scheduled workday off with pay in the same pay period. Holiday pay will not count as hours worked for the calculation of overtime.

*Your position may require that you work more than a half day on Christmas Eve or Easter Monday, at the sole discretion of the Church. In that case you and your supervisor can schedule a half day within the same pay period.

Flexible (Flex) Holidays

Full-time employees are permitted to take up to three paid Flex Holidays (24 hours) per calendar year after completion of 90 days of employment. If a full-time employee begins employment after January 1st, they should see Human Resources for the schedule of flex holidays available to them in their first calendar year of employment.
Flex Holidays may be used to celebrate and/or recognize any unique or substantial personal event such as the employee's birthday or employment anniversary, and/or any nationally or state recognized holidays. They are not intended or permitted to be utilized as Vacation or Sick time. Pay for Flex Holidays will be at the employee's regular rate of pay.

Requests for Flex Holidays must be made at least 14 days in advance; approval is subject to department/operational needs and supervisor approval. Flex Holidays shall accrue up to 1.5 years of accrual, and then no more time will be accrued. All accrued but unused flex holidays, up to above referenced cap will carry over from year to year until used. Flex Holidays may not be used in notice period before terminating employment.

Educational Assistance and Professional Memberships

Where it can be demonstrated that the Church will benefit from an employee's voluntary participation in an educational program or professional organization, the Church may pay the related expenses. The employee's supervisor and the Director of Administrative Ministries must approve requests for payment of expenses related to educational programs and professional organizations in advance.

Disability Insurance

Employees may be eligible for the Church's long-term disability insurance plan. Please see plan documents for details on coverage and eligibility.

Social Security Benefits

All employees of the Church are covered by the provision of the federal social security law. Detailed information about your social security benefits can be obtained from the Social Security Administration Office.

Worker's Compensation
The Church complies with all applicable state and federal laws concerning leaves for work-related illness or injury. Worker's Compensation Insurance covers all employees at the time they are hired. It is important that you report any work-related injury or illness to the Director of Administrative Ministries as soon as it happens. It is important to get proper first aid and/or medical attention immediately.

Leaves of Absence
The Church makes leaves of absence available to employees as follows:

Personal Leave:
An unpaid leave of absence for a compelling personal reason that is not medically related. Employees who have completed at least six months of continuous service may submit a written request for a personal leave of absence, without pay, for any length of time up to a maximum of 30 calendar days. Written requests must state the reason for the leave, as well as the anticipated beginning and ending dates.

Requests for personal leaves will be granted at the sole discretion of the Church Administration, based on the facts and circumstances surrounding each individual request and the current needs of the Church.

The Church cannot guarantee to hold any position. Employees will not accrue credit towards length of continuous service for the portion of any personal leave of absence in excess of 30 days. Employees will be required to pay group health insurance premiums for continued coverage during a personal leave of absence.

Bereavement Leave:
Employees who complete 30 days of employment are entitled to a bereavement leave of five days following the death of a spouse, child or stepchild, parent or stepparent, parent-in-law, grandparent, grandchildren, sibling or stepsibling or domestic partner. Full time employees are granted 3 paid days for bereavement. You may elect to use your available paid time off benefits to cover any unpaid bereavement leave. Bereavement leave does not need to be taken consecutively, but must be completed within three months of the date of death of the family member. You may also request bereavement leave in special circumstances for other persons not listed here. Bereavement leave must be approved by Human Resources. We may request satisfactory documentation of your need for leave. This documentation may include, among other items, a death certificate, a published obituary, or written verification of death, burial, or memorial services from a mortuary, funeral home, burial society, crematorium, religious institution, or governmental agency.

Reproductive Loss Leave
Employees who complete 30 days of employment are entitled to an unpaid reproductive loss leave of up to five days following a reproductive loss event ("RLE"). A RLE means the day (or, for a multiple-day event, the final day) of a failed adoption, failed surrogacy, miscarriage, stillbirth or an unsuccessful assisted reproduction. You may elect to use your available paid time off benefits to cover any unpaid reproductive loss leave. This leave does not need to be taken consecutively, but must be completed within three months of the RLE. If you are on or choose to take leave under CFRA, PDL, or any other applicable leave covered by local, state or federal law, then your reproductive loss leave must be completed within three months of the end date of the other leave. Reproductive loss leave must be approved by the Employee's Supervisor. You may take reproductive loss leave as often as needed, except that the maximum reproductive loss leave will be no more than 20 days within a rolling twelve-month period measured backward from the date you last used any reproductive loss leave.

Military Leave:
The Church complies with all applicable state and federal laws concerning leaves for required military service.

Family Medical Leave:
In accordance with the Family and Medical Leave Act of 1993 and the California Family Rights Act (CFRA), eligible employees will be entitled to 12 work weeks of unpaid leave during any twelve month period. FMLA and CFRA generally run concurrently except in the case of pregnancy. FMLA/CFRA leave may be taken for any of the following reasons:

- birth of a son or daughter of the employee and in order to care for such son or daughter
- placement of a son or daughter with the employee for adoption or foster care
- to care for spouse, son, daughter, or parent of the employee, if such spouse, son, daughter or parent has a serious health condition
- a serious health condition that makes the employee unable to perform the functions of his/her position

The 12-month period is measured forward from the date any employee's first FMLA Leave begins (that is, an employee would be entitled to 12 weeks of leave during the year beginning on the first date FMLA Leave is taken.)

Eligible employees are defined as those who have worked at least 12 months for Ascension Lutheran Church and who have worked at least 1,250 hours for the Church during the 12 months immediately preceding the start of the FMLA Leave.

During FMLA Leave, the employee shall utilize all accrued sick leave. FMLA does not affect employee's eligibility, if any, for short or long term disability payments under those insurance plans. The employee may take no more than 12 weeks per calendar year of FMLA Leave.

Leave to care for a newborn child, or to care for a newly placed adoptive or foster care child may not be taken on an intermittent or reduced schedule basis, unless the employer and employee agree, or unless based on the serious health condition of the mother or the child. Leave for serious health conditions (either for the employee, or the employee's spouse, child or parent) may be taken intermittently or on a reduced schedule basis when medically necessary. Leave taken on an intermittent or reduced schedule basis will reduce the total amount of leave to which the employee is entitled by the amount of leave actually taken.

Where the necessity for leave is foreseeable, the employee must provide 30 days notice of the leave or, if the date of birth or placement of a child with the employee requires leave to begin in less than 30 days, the employee must provide the earliest notice as is practical. Similar notice must be given where the leave is taken for serious health conditions either of a family member or of the employee based on planned medical treatment. In such situations, the employee must also make a reasonable effort to schedule treatment so as not to unduly disrupt the operation of his/her employing unit.

Medical Insurance/Retirement Contribution. While on an approved, unpaid FMLA, CFRA or PDL Leave, the payment of premiums to maintain continued medical insurance coverage is the responsibility of Ascension Lutheran Church, provided however that the employee continues to pay the Church the employee's share of such premiums, if any, by delivering a check to the Church no later than the 25th day of each month. Payments to the group retirement plan may also continue to be made in the usual manner.

Pregnancy Disability Leave:
As long as the Church employs five (5) or more full time or part time employees at the time leave is requested, the Church will grant up to four (4) months of medically related leave for time during which an employee is physically unable to work because of temporary disability caused or contributed to by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom. Such leave will be granted for such time only when certified by an employee's physician as indicated on a special request for pregnancy disability leave ("PDL"). The following steps should be followed when PDL is requested:

The employee's doctor should determine the period of disability. The doctor should document such determination in written form.

If employee's request for PDL is foreseeable, employee should give the Church at least thirty (30) days notice of such a request. If employee's request is not foreseeable, the employee must notify the Church as soon as possible.

Employee shall use accumulated sick leave during PDL. Employee shall be entitled to use accumulated vacation leave during PDL at employee's option. With these exceptions, PDL shall be without pay.

While on an approved, unpaid PDL, the payment of premiums to maintain continued medical insurance coverage is the responsibility of Ascension Lutheran Church, provided however that the employee continues to pay the Church the employee's share of such premiums, by delivering a check in this amount to the Church no later than the 25th day of each month. Payments to the group retirement plan will also continue to be made in the usual manner.

An employee may not be terminated because of pregnancy. The employee's job will be held open for the period of PDL unless doing so would substantially undermine the Church's ability to operate its business safely and efficiently. To be fair to the Church, an employee not intending to return to work after childbirth should notify the Church as soon as possible so that a permanent employee may be hired.

Leave under the Family Medical Leave Act, but not the California Family Rights Act (CFRA), shall run concurrently with PDL. Thus, if an employee is eligible for baby bonding leave under the CFRA at the end of such employee's PDL, such employee may take additional leave, up to 12 additional weeks, under the California Family Rights Act. Employees should see the Director of Administrative Ministries if they have any questions regarding their PDL, FMLA, CFRA and Leave rights. Note that the Church does not participate in the state's Paid Family Leave (PFL) or state disability insurance (SDI) programs.

Medical Leave:
A leave of absence for an employee's non-occupational medical condition or disability shall be granted, other than FMLA/CFRA Leave and PDL, when necessary to reasonably accommodate, without undue hardship to the Church, such medical condition or disability.

Civic Leave:
For time served on mandatory jury service or witness service, the Church will pay the employee their wages, up to a maximum of five (5) days. If necessary, the Church will grant the employee time off without pay for additional jury service or witness service.

In the case of an exempt employee, the Church encourages the employee to serve their jury or witness service free from their Church duties; however, some duties are vital to the operation of the Church and must be completed within a specific timeframe, at times by a specific employee. Should the employee's work duties with the Church be vital to its operation, the court may be asked to excuse the employee from jury duty. If the employee is required to continue some or all of their Church duties during their jury or witness service, the Church will continue to pay the employee's full weekly salary unless the jury service prevents the exempt employee from performing any work for a full week.

Employees must provide the Church a copy of proof of service received by the court in which they serve. The employee may retain payments made by the court associated with jury service.

Voting:
Employees should make arrangements to vote prior to or following normal work hours. If this is impossible, limited time off will be granted for voting, and up to two (2) hours of such time off will be with pay.

School Visits:
Under certain circumstances, eligible employees may be entitled to take time off (i) to participate in activities of their child's school or a licensed day care facility, (ii) to attend to a child care provider or school emergency, or (iii) to find, enroll or reenroll a child in school or with a child care provider.

In order to be eligible for this time off under this policy, an employee must be the parent, guardian, or grandparent of a child enrolled in school or with a child care provider. In addition, the employee must provide reasonable notice of the planned absence to the Church before taking the time off. The employee may not take more than 40 hours off for this purpose in any single year or more than eight hours off in any calendar month of the year.

If both parents of a child are employed by the Church at the same work site, only one parent may take time off at a time under this policy. The parent who first gives appropriate notice of the need for time off under this policy will have preference for the time off. In some cases, the Church may agree to provide both parents the opportunity to take time off at the same time. However, this may occur only with advanced discretionary approval of the Church.

The time off taken will be without pay, however, employee may utilize paid sick leave.

Any employee who takes time off under this policy must provide documentation from the child's school or licensed child day care facility to substantiate the fact that the employee participated in a school activity or day care facility activity. The documentation must verify that the employee participated in the activity on a specific date and at a particular time.

School Leave of a Suspended Pupil:
An employee who receives written notification that he or she is required to attend his or her child's school due to that child's suspension will be granted an unpaid leave of absence for that purpose. The employee must give the Church reasonable notice of the necessity of the leave and must provide a copy of the written notification from the school.

Domestic Violence / Sexual Assault Leave:
If an employee is the victim of domestic violence or sexual assault, time off may be necessary to seek judicial relief to help ensure the health, safety, or welfare of the employee or a child. This may include efforts to obtain a temporary restraining order, a restraining order, or other injunctive relief from a court. For this purpose, the Church provides its employees with reasonable unpaid time off.

If an employee needs time off from work for this purpose, reasonable notice must be provided to the Church in writing. If an unscheduled or emergency court appearance is required for the health, safety or welfare of the domestic violence or sexual assault victim or a child, the employee must provide evidence from the court or prosecuting attorney that he or she has appeared in court within a reasonable time after the court appearance.

The Church will provide reasonable accommodations for employees who disclose that they are victims of domestic violence, sexual assault or stalking, and who request an accommodation for their safety while working. The Church will not provide accommodations that cause undue hardship to the Church. If circumstances change and an employee needs a new accommodation, the employee must request it. If an employee no longer needs an accommodation, the employee must also notify the Church.

Employee must provide a written statement signed by the employee (or an individual acting on the employee's behalf) certifying that the accommodation is for an authorized purpose and that demonstrates the employee's status as a victim of domestic violence, sexual assault or stalking.

Employee shall renew this certification every six months during the accommodation period.

Employees who are victims of domestic violence or sexual assault may take time off from work:

- To seek medical attention for injuries caused by domestic violence, sexual assault or stalking;
- To obtain services from a domestic violence shelter, program or rape crisis center as a result of domestic violence sexual assault or stalking;
- To obtain psychological counseling related to domestic violence sexual assault or stalking; or

- To participate in safety planning and take other actions to increase safety from future domestic violence, sexual assault or stalking, including temporary or permanent relocation.

Employees must give reasonable advance notice of their intent to take time off, if feasible. Employees who cannot give reasonable advance notice may provide certification of the need for leave within a reasonable time. Domestic violence, sexual assault and stalking victims' leave for medical treatment does not exceed or add to the unpaid leave time that the FMLA allows.

Leave of Absence for Crime Victims and Their Families:
Employees who are victims of a serious crime, or employees who are immediate family members of such crime victims, may be absent from work, without pay, in order to attend judicial proceedings related to the crime. The employee may use accrued paid vacation or sick time during this leave at the employee's option.

Literacy Leave and Accommodation
As long as the Church and School has 25 or more employees, and to the extent required by California law, upon receipt of notice from an employee that such employee is illiterate and a request from such
employee that the Church assists him/her in enrolling in an adult literacy education program, the Church will reasonably accommodate and assist such employee, unless this would cause an undue hardship to the Church. Examples of possible accommodations include providing the employee with the locations of local literacy education programs, arranging for a literacy education provider to visit the jobsite or providing limited time off, without pay, to attend literacy classes (if such classes cannot reasonably be taken after regular working hours). The Church shall make reasonable efforts to safeguard the privacy of the employee as to the fact that he/she is illiterate.

Volunteer Civil Service Leave
The Church shall provide time off without pay to perform emergency rescue duty to any employee who is a volunteer firefighter, a reserve peace officer, or emergency rescue personnel. "Emergency rescue personnel" means any officer, employee, or member of a fire department or fire protection or firefighting agency, or of a sheriff's department, police department, or a private fire department, whether a volunteer or paid worker. Moreover, on the condition that the Church and school has 50 or more employees, the Church shall provide time off, without pay, to any employee who is a volunteer firefighter, for up to a total of 14 days per calendar year, to engage in fire or law enforcement training.

Leave of Absence for Organ or Bone Marrow Donation
Provided that the Church employs 15 or more employees at the time of the leave, the Church shall (i) grant employees who choose to donate organs up to 30 business days per year of paid leave for this purpose; and (ii) grant employees who choose to donate bone marrow up to 5 business days per year of paid leave for this purpose. During such leaves, seniority and benefits, including vacation and sick leave benefits, shall continue to accrue.

General Provisions Applicable to all Leaves of Absence:
Unless otherwise stated in a particular leave policy, the following rules apply to all leaves of absence:

1. A request for an extension of a leave of absence must be made in writing at least two days prior to the expiration date of the original leave, and when appropriate, must be accompanied by a physician's written statement that certifies need for the extension.
2. Failure to return to work on the first day following the expiration of an approved leave of absence may be considered a voluntary termination.
3. Employees on leaves of absence will be subject to lay off on the same basis as employees who are actively at work.
4. Employees on leaves of absence must communicate with the Church on a regular basis, at least once a month, regarding their status and anticipated return to work date.
5. Employees on leaves of absence who seek or accept other employment without the Church's prior written approval will be subject to disciplinary action up to and including possible termination.

6. Employees who falsify the reason for their leave of absence will be subject to disciplinary action up to and including possible termination.
7. Employees on study leaves or sabbaticals will continue to accrue service time; employees on other leaves of absence in excess of 30 days will not accrue length of continuous service for the portion of any leave of absence in excess of 30 days.
8. Employees will be required to pay group health insurance premiums for continued coverage during a personal leave of absence.
9. All leaves of absence must be approved in advance by the Senior Pastor.

SECTION V: GENERAL INFORMATION

Overview

While your individual talents affect the performance of your job and the success of our overall ministry, working together as a team is especially important in the life of the Church. It is in this way that we work to fulfill Paul's image of the Body of Christ working together here on earth. (See 1 Corinthians 12:12-31)

Many of the guidelines in this section are designed to help us maintain a respectful and nondiscriminatory working environment. It is important to remember that this is the responsibility of all staff members, not just those with supervisory responsibilities.

In this handbook, "staff" includes both lay and ordained paid staff members of Ascension Lutheran Church. (In the instance that this handbook conflicts with an ordained or rostered staff member's terms of call, the terms of call will prevail.)

Job Description

Employees may be given a job description before they begin work. A job description summarizes duties and responsibilities of an employee's position. Employees should read and study their job descriptions (if any) carefully and discuss them with their supervisor if desired. The Church reserves the right to revise and update any job description from time to time, as it deems necessary and appropriate.

Performance Evaluations

Employees may receive a written performance evaluation from time to time in the Church's sole and absolute discretion. Written performance evaluations may include recommendations for improvement. A key component of each performance evaluation is each employee's self-assessment. When asked to complete self-assessment questions and worksheets, employees should give serious thought and effort into completing them. A satisfactory performance evaluation does not guarantee a salary increase nor does it alter, modify or amend the at will employment relationship between you and the Church.

Work Rules and Performance Standards

Employment is a relationship with the mutual consent of the employee and the Church. Consequently, both the employee and the Church have the right to terminate the employment relationship at any time, with or without cause or advance notice.

It is not possible to provide a complete list of every work rule or performance standard. As a result, the following are presented only as examples and have no contractual significance. You are responsible for understanding and following these standards and work rules. Employees who do not comply may be subject to disciplinary action, up to and including possible termination.

- Job Performance: Employees may be disciplined up to and including possible termination for poor job performance, as determined at the sole discretion of the Director of Administrative Ministries. Some examples of poor job performance are:
    - Below average work quality or quantity
    - Excessive absenteeism, tardiness or abuse of break and meal privileges
    - Failure to follow instructions or Church policies and procedures
- Misconduct: Employees may be disciplined up to and including possible termination for misconduct. Some examples of misconduct are:
    - Insubordination.

- Abuse, misuse, theft or the unauthorized possession or removal of Church property or the personal property of others.
- Falsifying or making a material omission on Church records, reports or other documents, including payroll, personnel and employment records.
- Divulging confidential Church information to unauthorized persons.
- Disorderly conduct on Church property, including fighting or attempted bodily injury, or the use of profane, abusive or threatening language toward others or possession of a weapon.
- Violation of any law adversely affecting the Church or conviction in court of any crime which may cause the employee to be regarded as unsuitable for continued employment in a Christian church setting.
- Marking the time record of another employee or knowingly allowing another employee to mark your time record.
- Misuse or violation of the Acceptable Use Policy relating to Internet access and usage while on Church property and utilizing Church computers.
- Dishonesty or personal conduct constituting a bad example to students according to the standards of the Evangelical Lutheran Church in America.
- Violation of any policy in this handbook.

Communication Pathways

In the spirit of Matthew 18, we value direct communication between individuals.

1. We anticipate that if an employee has a concern with a co-worker or supervisor that the employee will approach that individual to discuss the situation. In most cases, the individuals involved are the best ones to approach an issue. If the issue cannot be resolved among the two:

2. The employee may schedule a private meeting with the employee's supervisor. The employee must be prepared to discuss how the employee attempted to communicate and resolve the concern with the individual.

3. If the circumstances warrant further escalation the employee may schedule a private meeting with a Pastor or Director of Administrative Ministries. The Pastoral Team and Director may involve the Church Council as needed.

4. This policy is not to be used in situations of potentially unlawful harassment, discrimination or retaliation. All such instances should be reported immediately to a Pastor, Director of Administrative Ministries, or any Church Council member.

5. Nothing in this policy creates a right to progressive discipline, or detracts from the at will nature of employee's employment.

Moonlighting

If an employee chooses to work outside of his or her job and the outside work competes with what is expected of him or her as a Church employee, the employee should not allow such outside work to compromise or affect employee's work performance at the Church. Disciplinary action, up to and including termination, could result if the outside activity interferes with work performance, creates a conflict of interest and/or is in direct conflict with the essential enterprise related interests of the Church.

Conflicts of Interest

Conflicts of interest must be avoided, and may subject an employee to discipline, up to and including termination. A conflict of interest can arise in dealings with anyone with whom the Church transacts business, and people in other organizations with whom we contact and make agreements.

Conflicts of interest include the following examples:

- Working for anyone for personal gain with whom the Church transacts business;
- Borrowing from, or lending money to, individuals representing organizations with which business dealings are conducted.

Conflicts of interest can also exist internally at the Church. Such conflicts should also be avoided. For example, a consensual romantic or sexual relationship between Church employees who work together or report to one another can cause a conflict of interest that may lead to lack of productivity, low morale and other negative consequences for the members of the couple and/or for the other employees of the Church. If such a conflict of interest leads to negative consequences to the Church, the Church may choose to terminate one or both of the persons involved in the relationship.

Policy Against Harassment

The Church is committed to providing a work environment that is free of unlawful harassment. In keeping with this commitment, the Church maintains a strict policy of prohibiting unlawful harassment, including sexual harassment or harassment based on any classification protected by applicable law. It is important for you to understand that jokes, stories, cartoons, nicknames and comments about appearance may be offensive to others.

Sexual harassment of employees by administration or co-workers is strictly prohibited. Unlawful sexual harassment includes unwelcome sexual advances, requests for sexual favors and other verbal, visual or physical conduct of a sexual nature when:

- Submission to the conduct is made a condition of employment;
- Submission to, or rejection of, the conduct is used as the basis for an employment decision affecting the harassed employee; or
- The harassment has the purpose or effect of unreasonably interfering with an employee's work performance, or creates an intimidating, hostile or offensive work environment.

Examples of sexual harassment include unwelcome sexual flirtations, advances or propositions; verbal abuse of a sexual nature; subtle pressure or requests for sexual activities; unnecessary touching of an individual's body; a display in the workplace of sexually suggestive objects or pictures; sexually explicit or offensive jokes; or physical assault.

If you believe that you are being, or have been, harassed in any way, or if you have been a witness to harassment, please report the facts of the incident or incidents to the Director of Administrative Ministries or to any Pastor, immediately and without fear of reprisal. In determining whether the alleged conduct constitutes unlawful harassment, the Church will conduct a prompt and thorough investigation, keeping the results as confidential as practicable under the circumstances. The totality of the circumstances, such as the nature of the conduct and the context in which the alleged incident occurred, will be investigated.

Any employee of the Church, whether coworker, supervisor or manager, who is found to have engaged in unlawful harassment is subject to disciplinary action up to and including discharge from employment. An employee who engages in unlawful harassment may be held personally liable for monetary damages. The Church will not pay damages assessed personally against an employee.

In addition to the Church's internal complaint procedure, employees should also be aware that the Federal Equal Employment Opportunity Commission (EEOC) and the California Civil Rights Department in some circumstances

investigate and prosecute complaints of unlawful harassment in employment. Employees who believe that they have been unlawfully harassed may file a complaint with either of these agencies. The EEOC or CRD may, in some circumstances, serve as a neutral fact finder and attempt to help the parties voluntarily resolve disputes. For more information, contact the Director of Administrative Ministries. You may also contact the nearest office of the EEOC or CRD, as may be found on the Internet.

The complaint procedure is applicable to all forms of harassment and all forms of discrimination.

Alcohol, Drugs and Controlled Substances

We are committed to maintaining a safe, efficient and productive work environment. We also want all employees to perform their duties safely and efficiently, in a manner that protects their interests and those of their co-workers. We recognize that being under the influence of alcohol, marijuana or unlawful drugs, as well as being under the influence of certain legal or prescription drugs, can be extremely disruptive and harmful to the workplace. It can adversely affect the quality of work and employee performance, pose serious safety and health risks to the user and others, and have a negative impact on work efficiency and productivity. For these reasons, we have a strict policy against the use or possession of drugs, marijuana or alcohol in the workplace. Every employee must comply with this policy at all times.

You must report for work fit to perform your job. You may never perform work while in an impaired state. You may not use or possess alcohol, marijuana or illegal drugs, or misuse legal or prescription drugs in the workplace. If you need to take a prescription drug that could have any effect upon your ability to perform your job duties, you must discuss possible reasonable accommodations with Human Resources during your use of that drug so that you are not working in an impaired state.

Possession or use of marijuana remains unlawful under federal law. Although California has legalized marijuana for medicinal and recreational purposes, and the Church does not discriminate or retaliate against employees based on their use of cannabis while off-duty and away from the workplace, the Church is not required to allow the possession, use or being under the influence of medicinal or recreational marijuana in the workplace. Possessing, using or being under the influence of marijuana is strictly prohibited while on work time and may result in discipline, up to and including discharge.

A California Medical Marijuana Identification Card is not sufficient to overcome these prohibitions. If you have a medical issue for which your doctor wants to prescribe marijuana for use during work hours or while performing any work for the Church, you must bring this to our attention and we will work with you to consider any available leave of absence or allow you to find another treatment method that does not cause you to be under the influence of marijuana during work hours or while performing any work for the Church. We will not accommodate an employee who has already violated this policy and is now subject to disciplinary action.

You may not use, possess, transfer, distribute, manufacture or sell alcohol, marijuana or any illegal drug while on our property, during on-call status, while operating a vehicle or potentially dangerous equipment owned or leased by the Church, while on duty or while representing the Church in any manner. (The transporting and distribution of wine in the sacrament of Holy Communion are not subject to this policy.) You also must not report for work, begin work, or remain on duty or on on-call status while under the influence of or impaired by any illegal drug, marijuana or alcohol, or be sufficiently impaired by any legal or prescription drug that would or could create a danger in the workplace, or inhibit your ability to perform the job in any way, as a result of your use of that drug.

For purposes of this policy, a drug will be considered an "illegal drug" if its use is prohibited or restricted by law or if you improperly use or possess the drug during work hours, regardless of whether such conduct constitutes an illegal act. Being “under the influence” of alcohol, marijuana or any other drug means that a drug or alcohol test would detect the presence of the drug or alcohol in your body. For marijuana, we will use only impairment tests. These tests measure an individual employee against their own baseline performance and identify the presence of tetrahydrocannabinol (“THC”) in bodily fluids. We will not ask to test for non-psychoactive cannabis metabolites in hair, blood, urine, or other bodily fluids, nor will the presence of such metabolites result in any adverse employment action.

In certain instances, the Church may permit, provide or serve alcohol at Church-related events or on Church premises. Employees who use alcohol at Church events or on Church premises must appropriately limit their intake so as to avoid any unprofessional or prohibited conduct and to ensure the utmost safety and professional behavior. Employees who consume alcohol at a Church event or on Church premises should not drive a vehicle to any location after the event if their consumption would cause them to be impaired in any way, and should instead arrange for a designated driver or driver service before leaving the Church event or premises. Provision of alcohol or permission to consume alcohol at a Church event does not excuse, nor does the Church condone, any violation of Church policy or applicable law].

We will require you to undergo marijuana, drug and/or alcohol testing at a laboratory designated and paid for by the Church, to test for marijuana impairment or the presence of drugs and/or alcohol and to agree in writing to allow the results of those tests to be furnished to and used by the Church, in the following circumstances:

1. Whenever we have a reasonable suspicion that you are under the influence of marijuana, drugs or alcohol during work time (for example, when you exhibit slurred speech, erratic behavior, loss of balance and coordination or similar conduct or appearance).
2. If you are involved in an accident that causes damage to property or injury to persons and there is a reasonable possibility that your use of marijuana, drugs and/or alcohol was a contributing factor.
3. If you work in a safety-sensitive job. [If you hold such a job, you will be notified in writing if you are subject to random marijuana, drug and/or alcohol testing.]

Refusing to be tested, interfering with the validity of the testing process and testing positive will be considered violations of this policy.

As long as the Church and School have 25 or more employees, the Church will reasonably accommodate any employee who volunteers to enter and participate in a marijuana, alcohol or drug rehabilitation program by granting a leave of absence for that purpose, provided that it does not impose an undue hardship on the Church. You may use accrued paid time off benefits during the leave of absence. We do not pay for the rehabilitation program. You must provide proof of attendance in the program. You are not eligible for a leave of absence if you are already subject to discipline or termination for a violation of this policy or any other Church policy.

Personal Appearance

Your appearance reflects not only on you as an individual, but on the Church as well. We expect you to take pride in your appearance and to strive to achieve a positive, professional image when representing the Church.

Lost and Found

Employees should not bring large sums of money, jewelry or other valuables to work. The Church will not be responsible for personal property that is lost damaged, stolen or destroyed. If you happen to find personal belongings that have been lost by another person, please turn them in to the Church office.

Use of Office Supplies and Equipment

Employees are encouraged to make appropriate use of the office equipment in the course of completing the duties of their job. Use of the Church copying machine for personal use is not permitted, nor should Church computers be utilized for personal business or interests. (See Acceptable Use Policy.) Individual exceptions to this policy should be requested of the Director of Administrative Ministries; a per page fee would be applied to any personal use of the Church business machines.

Letters which relate directly to the carrying out of Church business will be posted by the Church staff office and placed for pick up by our postal carrier daily. Employees should not utilize Church purchased postage for personal use, including mailing of thank you notes or personal correspondence. Likewise, office supplies purchased by the Church are for the use of staff while on campus. Church purchased materials are not to be taken home for personal use.

Acceptable Use & Internet Access Policies

Prior to being provided with a user account and password, all employees of Ascension Lutheran Church must read and sign the Acceptable Use Guidelines and Policy Statement. Church computers are to be utilized strictly for purposes directly related to the business of Ascension Lutheran Church. Violation of the Acceptable Use Policy may result in disciplinary action up to and including possible termination.

Employees should have no expectation of privacy when using Church computer systems or equipment.

Nothing in this policy is intended to interfere with employees' rights protected by Section 7 of the National Labor Relations Act or other federal, state or local law to engage in concerted protected activity or to discuss the terms of their employment or working conditions with or on behalf of co-workers, or to bring such issues to the attention of management at any time.

Lactation Support Policy

In accordance with California law, the Church will reasonably accommodate employees who wish to express breast milk at work, including providing increased break time if necessary and providing a private room for this purpose which is not a restroom stall.

Smoking

There is no smoking allowed on the premises of the Church or School campus, or within 25 feet of any such facilities.

Security Checks

The Church may exercise its right to inspect all packages and parcels that enter and leave the premises. Employees should have no expectation of privacy for any parcel or item they bring onto Church premises. If an employee desires to keep the contents of a parcel or container or handbag private or confidential, the same should not be taken onto Church premises.

Care of Equipment and Facilities

All employees should be concerned with the care and safe use of Church-owned equipment and facilities. Good housekeeping is expected from everyone. An untidy desk creates an impression of disorganization and inefficiency. Employees should be conscious of the appearance of their work areas.

Personal Belongings

The Church recognizes an employee's desire to display mementos pertaining to their family or other personal items. While the Church can take no responsibility for the safekeeping of these items, it welcomes its employees to personalize their work areas for added comfort or pleasantness. However, several guidelines must be observed. They are as follows:

- Nothing can be displayed that (in the opinion of the Church) is derogatory to any person.
- Objects (in the opinion of the Church) that are inappropriate or hinder work efforts will not be allowed and must be removed upon request.

Solicitation and/or Distribution

Solicitation and/or distribution should be kept to a minimum and must be approved by the Church. If the process of distributing materials, goods, contest promotions, requests for donations or any other solicitation and/or distribution interferes with the work schedules of employees, it will be prohibited. No employee should ever feel pressured into participating in any promotional effort or action. This policy is not intended to curtail your free speech rights; it is intended to prevent disruption and to avoid undue pressure upon employees to make financial contributions.

Security

All doors, files, desks, and any other equipment with locks must be kept locked securely when not in direct use and at the end of each day, whenever practicable.

Injury and Illness Prevention
The Church and School maintain a written Injury and Illness Prevention Program per Cal OSHA. All employees are welcome to review it upon written request. Requests should be made to the Director of Administrative Ministries in the church office. Access will be given no later than 5 business days after the request.

Privacy Protection
In compliance with local, state and federal laws, we want to remind you that we collect personal information in connection with your employment. The information we collect is securely stored within your personnel file and our associated tools and databases. The Church will retain this information for as long as you are employed, and thereafter as required by applicable law. If you have any questions about this policy, or you would like to inquire about the information that we collect and maintain in regard to your employment, please contact the Director of Administrative Ministries. The Church will not discriminate against you for exercising your rights under any privacy laws.

Workplace Violence Prevention
The Church is committed to providing a safe work environment that is free of violence or the threat of violence. Threats, threatening behavior, or acts of violence against employees, visitors, or other individuals will not be tolerated. This policy applies to all employees. Violation of this policy may result in disciplinary action, up to and including termination, and may include arrest and prosecution.

Employees must report any incident involving violence or a threat of violence immediately to the Church. Any employee who (1) makes a good faith report of violence or the threat of violence or (2) participates in the investigation of such a report will be protected from retaliatory action.

Business Expenses
Employees shall be reimbursed for reasonable, pre-approved, and properly documented business expenses. No expenses should be incurred without prior approval from the Church. All expenses must be supported by proper receipts, and any request for reimbursement must be submitted within 30 days of the occurrence of the expense on an expense sheet. Any expense reimbursement request not submitted within this time frame, or not submitted with property pre-approval or documentary support, maybe denied or subject to disciplinary action. The payment may be effected by addition to the next payroll check or by separate check at the option of the Church. If an employee is required to use his or her auto for Church business, the Church will reimburse mileage to the destination and back to the Church at the then current IRS standard rate. If an employee must pay for parking while on Church business, the Church will reimburse the actual parking charges. If an employee advances costs for other miscellaneous expenses with approval of the Church, the Church will reimburse such amounts advanced.

Confidentiality
The Church's business requires that a strict code of confidentiality of information be maintained. No employee will store information outside of the Church (either written or electronic form with the exception of the nightly data backup tapes) about any matter pertaining to the conduct of the Church's business.

Any employee who compromises Church information may be subject to dismissal. Home phone numbers and addresses of employees or students are not to be given out to any person for any reason.

In addition, malicious gossip or dissemination of confidential information within the Church, such as personal information, student or vendor information, payroll information, financial information, etc. will subject the responsible employee to disciplinary action, possible termination, and liability under the California Trade Secrets Act.

Employees may not disclose any Church information to third parties, nor may employees use such information, directly or indirectly without the consent of the Church, except as may be allowed by law.

Intellectual Property

Definition of “Inventions.” As used in this policy, the term "Inventions" means, without limitation, all works of original authorship or art, discoveries, improvements, processes, developments, designs, trademarks, service marks, know-how, data, computer programs, written material and formulae, whether patentable or not, copyrightable or not.

Disclosure and Assignment of Inventions. Employee will promptly and fully inform Church of all Inventions that Employee may conceive, discover, develop or make during Employee's employment by Church, whether made solely or jointly with others, and whether or not patentable, if such conception, discovery or making involves the use of Church's time, facilities, resources, equipment or personnel. Employee acknowledges and agrees that all such Inventions relating to any work Employee performs for Church or any business in which Church is or intends to be engaged are "works for hire" under applicable law and shall belong to Church. Employee further agrees to assign, and does hereby assign, to Church all right, title and interest in and to any and all such Inventions and agrees to execute all documents deemed necessary or desirable by Church in connection therewith, including patent and/or copyright assignments, and to cooperate both during and after Employee's employment by Church, at Church's expense, in all further actions deemed necessary or desirable to confirm, register, protect or enforce Church's right therein. Employee hereby irrevocably designates and appoints Church and each of its duly authorized officers and agents as Employee's agent and attorney-in-fact to act for and in Employee's behalf and stead to execute and file any document and to do all other lawfully permitted acts to further the prosecution, issuance and enforcement of patents, copyrights and other proprietary rights with the same force and effect as if executed and delivered by Employee.

Transfer of Ownership of Inventions. In addition, if any Invention is copyrightable subject matter, but is not considered a “work made for hire,” Employee agrees hereby irrevocably and exclusively to transfer, assign, and to convey to the Church every right (both tangible and intangible), title, and interest in and to such Invention including, without limitation, all copyright ownership, and all exclusive rights pertinent thereto (including, without limitation, all exclusive rights to – by all technologies now known or later developed – (i) reproduce the Inventions in copies, (ii) prepare derivative works of or based upon the Inventions, (iii) distribute copies of the Inventions to the public by sale or other transfer of ownership or by rental or lease; and (iv) display and perform the designs publicly by any means whatsoever), all moral rights, artist’s rights, all rights to pre-existing causes of action related to the Inventions, if any, and any and all other intellectual property rights, and any and all other rights or interests of any kind whatsoever. The assignment and grant contemplated in this Agreement cover all rights to exploit the Inventions, including those for all subsidiary purposes, in different media, and by future methods of exploitation. Employee makes this assignment free and clear of any liens, claims, or other encumbrances, for the Church’s own use and benefit, be it commercial or otherwise, and for the Church’s legal representatives and assigns, in the United States and elsewhere.

Maintenance of Records. Employee agrees to keep and maintain adequate and current written records of all Inventions made by Employee (solely or jointly with others) during the term of Employee’s employment with the Church. The records will be in the form of notes, sketches, drawings, and any other format that may be specified by the Church. The records will be available to and remain the sole property of the Church at all times.

Labor Code Section 2870. ANY PROVISION IN THIS POLICY REQUIRING EMPLOYEE TO ASSIGN EMPLOYEE'S RIGHTS IN ANY INVENTION DOES NOT APPLY TO AN INVENTION WHICH QUALIFIES UNDER THE PROVISIONS OF SECTION 2870 OF THE CALIFORNIA LABOR CODE. THAT SECTION PROVIDES THAT THE REQUIREMENT TO ASSIGN SHALL NOT APPLY TO AN INVENTION DEVELOPED ENTIRELY ON EMPLOYEE'S OWN TIME WITHOUT USING THE CHURCH’S EQUIPMENT, SUPPLIES, FACILITIES, OR TRADE SECRET INFORMATION EXCEPT FOR THOSE INVENTIONS THAT EITHER (1) RELATE AT THE TIME OF CONCEPTION OR REDUCTION TO PRACTICE OF THE INVENTION TO CHURCH’S BUSINESS, OR ACTUAL OR DEMONSTRABLY ANTICIPATED RESEARCH OR DEVELOPMENT OF CHURCH; OR (2) RESULT FROM ANY WORK PERFORMED BY EMPLOYEE FOR CHURCH. IF ANY INVENTION IS DESCRIBED IN A PATENT AND/OR COPYRIGHT APPLICATION OR DISCLOSED TO THIRD PARTIES BY EMPLOYEE WITHIN ONE YEAR AFTER TERMINATION OF EMPLOYEE'S EMPLOYMENT BY CHURCH AND WHICH RELATES TO THE THEN EXISTING, REASONABLY ANTICIPATED BUSINESS, RESEARCH OR DEVELOPMENT OF CHURCH, IT IS TO BE PRESUMED THAT SUCH INVENTION WAS CONCEIVED DURING EMPLOYEE'S EMPLOYMENT BY CHURCH AND THAT THE INVENTION SHALL BELONG TO CHURCH UNLESS PROVED BY EMPLOYEE TO HAVE BEEN CONCEIVED FOLLOWING THE TERMINATION OF EMPLOYEE'S EMPLOYMENT BY CHURCH.

Church Property

While the Church recognizes the importance of respecting an employee's work space, it is important that the Church have access at all times to Church property, as well as other records, documents, and files. As a result, the Church reserves the right to access employee offices, work stations, filing cabinets, desks, and any other Church property at its discretion, with or without advance notice or consent. Employees, therefore, should have no expectation of privacy in their work space. ***All computer systems and the data and applications stored on them are the property of Ascension Lutheran Church.***

Transfers and Promotions

An employee's past performance, experience, attitude, qualifications, and potential are important factors that will be considered in making promotion and transfer decisions. In the case of promotions, current employees will be notified and will be eligible to apply and be considered with all other applicants. Because of the experience, skills, and educational requirements of many jobs, promotions and transfers from within the Church are not always possible.

Introduction

About the ELCA Retirement Plan

The legal name of the ELCA Retirement Plan is the Evangelical Lutheran Church in America Retirement Plan. It is referred to as the "ELCA Retirement Plan," "Retirement Plan," or "Plan." The ELCA Retirement Plan was amended effective Jan. 1, 2025. The amended provisions apply to all individuals who are Members on or after the effective date.

About the Summary Plan Description

This Summary Plan Description includes the eligibility requirements, coverage details, and benefit conditions under the ELCA Retirement Plan. The ELCA Retirement Plan document is the official legal document of the Plan and an individual's rights are governed by it. If this Summary Plan Description is found to be inconsistent with the ELCA Retirement Plan document, the Plan document will control. Any capitalized term not defined in this Summary Plan Description shall have the meaning defined in the ELCA Retirement Plan.

About the Traditional Benefits Program

The Traditional Benefits Program (also known as the ELCA Pension and Other Benefits Program) is a bundled-coverage program that provides a single comprehensive set of wellness-oriented benefits to Members. Members of the Traditional Benefits Program are enrolled in the following four plans:

- ELCA Medical and Dental Benefits Plan
- ELCA Retirement Plan
- ELCA Survivor Benefits Plan
- ELCA Disability Benefits Plan

Eligible Members are also able to enroll in the ELCA Flexible Benefits Plan, which offers health savings account (HSA) and flexible spending account (FSA) options.

About Portico Benefit Services

Portico Benefit Services and the predecessor ministries of the Evangelical Lutheran Church in America have supported the well-being of those who serve and have tailored its benefits to meet the unique needs of this community.

Doing business as Portico Benefit Services, the Board of Pensions of the Evangelical Lutheran Church in America offers health, dental, retirement, life insurance, disability coverage and other benefits designed to enhance the well-being of those serving ELCA-affiliated congregations and organizations.

In addition to the plans under the Traditional Benefits Program, Portico maintains the ELCA Retirement Savings Plan for Members in the Flexible Benefits Program, and the ELCA Master Institutional Retirement Plan and ELCA 457(b) Deferred Compensation Plan for ELCA-affiliated organizations. The assets of each plan maintained by Portico are held in separate trusts and do not allow one plan to fund another plan.

About the Investment Funds

Members should carefully consider the target asset allocations, investment objectives, risks, charges, and expenses of any fund before investing in it. All funds, including Portico funds, are subject to risk and uncertainty. Past performance cannot be used to predict future performance. Portico funds, including the ELCA Participating Annuity Investment Fund, are not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Losses or underperformance in the markets could cause a reduction in monthly participating annuity payments. Fund assets are invested in multiple sectors of the market. Some sectors, as well as the funds, may perform below expectations and lose money over short or extended periods.

For more information about the funds, see the *ELCA Investment Fund Descriptions* and the *Investment Memorandum for the ELCA Participating Annuity Trust*, at *myPortico.PorticoBenefits.org/summaries* or by contacting the Portico Customer Care Center at *mail@PorticoBenefits.org* or **800.352.2876**.

Neither Portico Benefit Services nor the funds it manages are subject to registration, regulation, or reporting under the Investment Company Act of 1940, the Securities Act of 1933, the Securities Exchange Act of 1934, the Investment Advisers Act of 1940, or state securities laws. Accordingly, members are not afforded the protections of the provisions of those laws and related regulations.

Retirement Plan Overview

The Retirement Plan is a defined contribution plan that allows a certain percentage of money be set aside each year by Participating Employers for the benefit of Sponsored Members. A Sponsored Member may also make contributions to his/her Retirement Account through payroll deductions.

A Sponsored Member's Retirement Account may include the following types of source contributions and related earnings:

- Employer Contributions
- Member Contributions
  - Member Pretax Contributions
  - Member Roth Contributions
- Transfer and Rollover Contributions
- Housing Equity Contributions
- After-Tax Rollover Contributions
- Predecessor IRA Contributions

Investments

The Retirement Plan provides investment options and a Sponsored Member selects the investment strategy that matches his/her individual comfort level with the potential risk and return. At retirement, the Sponsored Member selects a distribution method that meets his/her needs.

Statements

Sponsored Members receive a statement following each calendar quarter that summarizes his/her Retirement Account activity for that calendar quarter.

Vesting

All contributions made by or on behalf of a Sponsored Member are 100% vested at all times.

Eligibility

If an Eligible Employee is sponsored by an Eligible Employer in the Traditional Benefits Program, the Eligible Employee becomes a Sponsored Member in the Retirement Plan.

- An "Eligible Employer" becomes a "Participating Employer" when it sponsors an Eligible Employee in the Plan.
- An "Eligible Employee" becomes a "Sponsored Member" when he or she is sponsored in the Plan by a Participating Employer. A Sponsored Member will continue to be a Sponsored Member in this Retirement Plan for as long as s/he has any amount remaining in her/his Account or is receiving annuity payments in accordance with the provisions of Article X of the Retirement Plan.

See Appendix for Eligible Employers, Eligible Employees and Sponsorship Criteria

Transfer and Rollover Contributions

Transfers to or from MIRP

If contributions under the ELCA Master Institutional Retirement Plan (MIRP) are transferred to this Retirement Plan on behalf of a Sponsored Member, they will be credited to the Sponsored Member's Retirement Account as Rollover Contributions. Each fund's investment risk changes over time as its asset allocation changes.

Member Directed Investment

Portico will maintain rules, regulations, and procedures for Members who are selecting the investment funds where contributions, transfers, and rollovers will be deposited.

Default Investment Account

If a Member does not select the investment funds where contributions, transfers, and rollovers will be deposited, the contributions, transfers, and rollovers will be defaulted into the Portico Retirement Social Purpose Target Date Fund closest to the year the Member will reach age 65.

Member Directed Reallocation

A Member may direct that his/her Retirement Account be reallocated among the available investment funds. Reallocation may be made effective as of any business day. Reallocation will be based on the Retirement Account values for the business day that the transfer is effective.

7-Day Waiting Period

There is a seven calendar-day waiting period between the time a Member transfers money out of an investment fund until the time a Member can transfer money back into the same fund. This transfer restriction does not apply to the Portico Money Market Fund. The waiting period is in place to reduce excessive trading which can be expensive and burdensome for long-term shareholders because it can increase fund costs and disrupt portfolio management strategies.

Processing Investment Directions

The processing of investment directions is subject to rules, regulations, and procedures that Portico adopts. The restrictions include, but are not limited to, suspending and/or postponing the processing of investment directions when the New York Stock Exchange or other major markets are closed or during emergency circumstances, as determined by the U.S. Securities and Exchange Commission.

Valuation of Retirement Account

The amount credited to each Member's Retirement Account will be adjusted each business day to reflect contributions, transfers, rollovers, distributions, withdrawals, and other adjustments required under the rules, regulations, and procedures adopted by Portico.

Withdrawals Prior to Retirement

Withdrawals at Age 59½

A Sponsored Member may make withdrawals beginning at age 59½ from the following types of contributions made to the Retirement Account, subject to the annual limit stated below:

- Employer Contributions
- Member Contributions

Annual Limit

The total withdrawals in a year, including rollovers to another qualified plan, from Employer Contribution funds, cannot be more than the greater of:

- 20% of the sum of the Employer Contribution funds (employer contributions plus earnings) in the Member's Retirement Account as of the prior Dec. 31, or
- $20,000

This annual limit on total withdrawals does not apply to Member Contributions or to:

- Members over age 75,
- Designated Beneficiaries, or
- Sponsored, Disabled, or Retired Members who submit a doctor's statement or other evidence acceptable to Portico certifying that the Member is terminally ill and death is expected within 12 months.

Withdrawals in the Event of Disability

If disabled, as determined under Internal Revenue Code § 72(m)(7), a Sponsored Member may make withdrawals from the following types of contributions made to the Member's Retirement Account, subject to the annual limit stated below:

- Employer Contributions
- Member Contributions

Annual Limit

The total withdrawals in a year, including rollovers to another qualified plan, from Employer Contribution funds cannot be more than the greater of:

Hardship Withdrawals

A Member may make a hardship withdrawal from Member Contribution or Employer Contribution amounts when an immediate and heavy financial need arises from the following:

A distribution is considered to be necessary to satisfy a Member's immediate and heavy financial need if the distribution is not more than the amount of the Member's immediate and heavy financial need, although the distribution amount may also include an amount to pay taxes or penalties that occur due to the distribution.

A Member must represent that he/she has insufficient cash or other liquid assets to satisfy the immediate and heavy financial need. The Plan Administrator can rely on the Member's representation unless there is actual knowledge to the contrary.

Withdrawals from Housing Equity Contributions, Rollover Contributions, After-Tax Rollover Contributions, and Predecessor IRA Contributions

A Member may request a withdrawal from his/her Housing Equity Contributions, Rollover Contributions, After-Tax Rollover Contributions, and Predecessor IRA Contributions at any time but may be subject to a 10% additional IRS early withdrawal tax unless an IRS exception applies. - In the amount(s) and at the time(s) the Member requests
- In a series of monthly, quarterly, semiannual, or annual periodic payments of a specific amount

A Member may have withdrawal distributions start as follows, subject to the Annual Limit requirements:

- 30 days after Retirement or Separation from Service, as applicable for rostered and non-rostered Members; or
- Less than 30 days after Retirement or Separation from Service, as applicable for rostered and non-rostered Members, if the Sponsored Member confirms the receipt and reading of the required special tax notice and provides a written waiver of the 30-day waiting period.

The Rollover Contribution funds do not have an annual withdrawal limit.

Required Minimum Distributions (RMD)

As required by IRC § 401(a)(9), required minimum distributions (RMDs) from the Member's Retirement Account to a Member must begin by April 1 of the year following the later of:

General Withdrawal and Distribution Information

Minimum Withdrawals

Withdrawals requested by a Member must be at least $250, or the value of the Retirement Account, if less.

Payment of Taxes

Portico or its Agent may pay any estate, inheritance, income, or other tax, charge, or assessment attributable to any Plan benefit payment that is or may be required to be paid out of the benefit. Before making any payment, Portico or its Agent may require a release or other document from any taxing authority and an indemnity from the beneficiary.

As part of compensation for past services, each annuity and Retirement Plan distribution made to a Retired Member who is a minister of the gospel (as defined in Internal Revenue Code § 107), one hundred percent (100%) thereof, or such other portion or amount as shall be determined from time to time by or pursuant to resolution of Portico Benefit Services, shall be eligible to be treated as housing allowance for purposes of Internal Revenue Code § 107.

Reemployment when Distributions are Occurring

If a Member becomes employed while the Member is receiving distributions, the Member may modify or stop all of the distributions except for the following:

- Annuity payments according to the *Participating Annuity Benefit* subsection of this Summary Plan Description
- Required Minimum Distributions in accordance with Internal Revenue Code § 401(a)(9)

Small Retirement Account Balances

If a Member is no longer an Eligible Employee and the Retirement Account balance is $1,000 or less, Portico may require a Member to withdraw his/her entire Retirement Account balance.

Incompetent Payee

If a Member (including Surviving Spouse, Designated Beneficiary, and/or Alternate Payee) is entitled to benefit payments but is under a legal disability (e.g., minors) or is incapacitated in such a way that he or she is unable to manage financial affairs, then the payment may be made to the Member's guardian, conservator, or other legal personal representative if Portico receives evidence satisfactory to Portico of that status. Before Portico receives evidence of the Member's status, Portico may have the Member's payments made to a person or institution that Portico believes is caring for the Member. Portico has no liability for payments so made.

Distribution in the Form of an Annuity

Members who have a Retirement Plan account *may* elect a distribution in the form of an annuity. If a Member is electing a distribution in the form of an annuity, the Member:

- Must have attained age 59-1/2, and
- Must not be entitled to a monthly disability benefit under the ELCA Disability Benefits Plan.

Participating Annuity Benefits

To start an annuity, a Member must choose from the annuity options listed below. The option selected determines the amount the Member will receive when the monthly annuity payments begin, as well as the amount the co-annuitant or beneficiary will receive after the Member or co-annuitant dies.

Single-life annuity

- **Single-life annuity with no minimum payout.** This option provides monthly payments that end upon the Member's death.
- **Single-life annuity with 15-year minimum payout.** This option provides monthly payments for at least 15 years (180 months) and continues until the Member's death. If the Member dies before receiving 180 monthly payments, the Designated Beneficiary will receive the remainder of the 180 payments, or an equivalent lump-sum payment.

If the annuity was established after 2019 and the Designated Beneficiary is not an Eligible Designated Beneficiary as defined by the SECURE Act, the Designated Beneficiary must receive full distribution by the end of the tenth calendar year after the Member's death.

Joint-life annuity

This option provides monthly payments for at least 15 years (180 months) and continues until the deaths of both the Member and the co-annuitant. The Member must select the annuity payment percentage that will be continued to the joint-life survivor from one of the following three options:

- **Joint-life annuity with 60% to survivor and 15-year minimum payout**
- **Joint-life annuity with 80% to survivor and 15-year minimum payout**
- **Joint-life annuity with 100% to survivor and 15-year minimum payout**

If both the Member and the co-annuitant die before receiving 180 monthly payments, the Designated Beneficiary will receive the remainder of the 180 payments or an equivalent lump-sum payment.

If the annuity was established after 2019 and the Designated Beneficiary is not an Eligible Designated Beneficiary as defined by the SECURE Act, the Designated Beneficiary must receive full distribution by the end of the tenth calendar year after the later of the Member and co-annuitant's death.

Notes for Designated Beneficiaries:

- The single-life annuity with 15-year minimum payout option is not available for an Eligible Designated Beneficiary who is age 70½ or older at the time he or she starts an annuity.

- The joint-life annuity is not available for an Eligible Designated Beneficiary.
- If the annuity was established after 2019 and the Designated Beneficiary is not an Eligible Designated Beneficiary as defined by the SECURE Act, the Designated Beneficiary is unable to start an annuity, and must receive full distribution by the end of the tenth calendar year after the Member's death for any existing annuity.

Default Selection

If a Member is married and has not selected an annuity type, the annuity type will default to the *joint-life annuity with 100% payable to the survivor and 15-year minimum payout.* If a Member is single and has not selected an annuity type, the annuity type will default to the *single-life annuity with 15-year minimum payout*.

Multiple Annuities

A Member may have up to six annuities and may select different start dates, type of annuity, and co-annuitant for each annuity created.

Spousal or ESGP Consent

A spouse or ESGP must provide proper written consent before the Member may elect a single-life annuity or a co-annuitant who is not the spouse or ESGP.

Annuity Beneficiary

If payments are remaining under a single-life or joint-life annuity that includes a 15-year minimum payout feature, payments to the Eligible Designated Beneficiary after the death of the Member (and co-annuitant, if applicable) will:

- Be paid in the same monthly amount as would have been paid to the Member (or co-annuitant, if applicable) if he/she had survived, including any adjustments outlined below; or
- Be paid in a lump sum if an Eligible Designated Beneficiary is at least 21 years old, elects to receive a lump-sum payment and Portico elects, in its sole discretion, to make a lump-sum payment instead of small monthly payments.

If the Designated Beneficiary is not an Eligible Designated Beneficiary as defined by the SECURE Act, the Designated Beneficiary must receive full distribution by the end of the tenth calendar year after the Member's death. The amount of a lump-sum payment will be the actuarial equivalent of the monthly payments the Designated Beneficiary would have received.

If a Designated Beneficiary dies before receiving the entire benefit, the unpaid balance will be paid to the Designated Beneficiary's beneficiary.

Adjustments to Monthly Annuity Payments

Once annuity payments have begun, adjustments that will increase or decrease annuity payment amounts will be made as determined by Portico in accordance with the *Investment Memorandum for the ELCA Participating Annuity*. The adjustments – both increases and decreases – will apply to all ELCA annuities payable, except for those ELCA annuities that originally provided for current year distribution of any excess investment earnings, which will have any decrease applied as an adjustment to the annuity payment and any increase paid as a dividend for dividend-eligible annuities.

Distributions to a Beneficiary

After the Required Minimum Distributions Have Started

If a Member passes away after his or her Required Minimum Distributions (RMDs) have started, the remaining payments will be made to the Member's Eligible Designated Beneficiary at least as quickly as the distribution method that was selected by the Member, but in any event, if the Designated Beneficiary is not an Eligible Designated Beneficiary as defined by the SECURE Act, the Member's Account must be fully distributed by the end of the tenth calendar year after the Member's death.

An "**Eligible Designated Beneficiary**" is a Designated Beneficiary who is:

- The Member's Surviving Spouse,
- A beneficiary no more than ten (10) years younger than the deceased Member,
- A beneficiary who meets the definition of disabled or chronically ill under the IRC, or
- A Member's minor child (but only until the child is the age of majority based on state law).

Before the Required Minimum Distributions Have Started

Surviving Spouse as Designated Beneficiary

If a Member passes away before his/her RMDs have started and the Surviving Spouse is the Designated Beneficiary, distributions other than an annuity must begin by the later of:

- The end of the year following the year of the Member's death; or,
- The deceased Member's or Surviving Spouse's RMD date, at the election of the Surviving Spouse.

Required Minimum Distributions, as required by IRC, must start by April 1 of the year following the later of the individual's:

- Age:
  - 70-½ if born on June 30, 1949 or earlier
  - 72 if born on July 1, 1949 through and including Dec 31, 1950
  - 73 if born on Jan 1, 1951 through and including Dec 31, 1959
  - 75 if born on Jan 1, 1960 or later, or
- Year of retirement.

The Retirement Account will be distributed as follows:

- In the amount(s) and at the time(s) requested, or
- In a series of monthly, quarterly, semiannual, or annual periodic payments of a specified amount.

Eligible Designated Beneficiary other than Surviving Spouse as Designated Beneficiary

If a Member passes away before his/her RMDs have started, the Retirement Account will be distributed to Eligible Designated Beneficiaries, other than a Surviving Spouse, as follows:

- Distributions must begin by the end of the year following the year of the Member's death.
- If a lump-sum distribution is not elected by the Eligible Designated Beneficiary, distributions shall be made at least annually based on the life or life expectancy of the Eligible Designated Beneficiary.

Other Individual as Designated Beneficiary

If a Member passes away before his/her RMDs have started, and the Designated Beneficiary is not the Surviving Spouse or other Eligible Designated Beneficiary, the Retirement Account will be distributed as follows:

- Distributions must begin by the end of the year following the year of the Member's death.
- If a lump-sum distribution is not elected by the Designated Beneficiary, distributions shall be made at least annually based on the life or life expectancy of the Designated Beneficiary.
- Distributions to Designated Beneficiaries must be completed by the end of the 10th calendar year following the death of the Member.

Underage Designated Beneficiary

If a Designated Beneficiary is not age 21 at the time a distribution is to be made, monthly withdrawals will be paid in an amount determined by Portico after consulting with the Designated Beneficiary's legal guardian.

Trust as Designated Beneficiary

A Trust that is named as a Designated Beneficiary may qualify as an "eligible trust" if the requirements under Treasury Regulations 1.401(a)(9)-4 are met. If the Trust meets the requirements, the life expectancy used for calculating any Required Minimum Distribution will be the trust beneficiary with the shortest life expectancy. A trust that does not qualify as an eligible trust will be treated as having no life expectancy, but it still may be named as a Member's Designated Beneficiary.

Designating a Beneficiary

A Member should name a beneficiary or beneficiaries to receive his or her Retirement Account assets upon his or her death and a beneficiary to receive his or her Annuity, if applicable. A beneficiary for the Retirement Account can be an individual or entity, including a trust, estate, or charitable organization.

Spouse or ESGP as Designated Beneficiary

If the Member is married or has satisfied the ESGP requirements, the spouse or ESGP must be the Designated Beneficiary, unless the spouse or ESGP consents to another individual or an entity being named as Designated Beneficiary.

Other Designated Beneficiary

If the Member names a beneficiary other than the spouse or ESGP, the spouse or ESGP must provide written consent by signing the beneficiary designation form, in the presence of a notary public, verifying that the spouse or ESGP waives his/her right to the Retirement Account assets.

No Designated Beneficiary Named

If the Member does not name a beneficiary or there is not an eligible beneficiary, the Designated Beneficiary will be the following person(s) in the first of the following classes where there is a survivor, with each person in the class receiving an equal share:

- The Member's spouse or ESGP
- The Member's children in equal shares, except that if any of his/her children die before the Member but leave surviving children, such children will receive by right of representation the share their parent would have received, if living
- The Member's parents
- The Member's brothers and sisters
- The Member's estate

For purposes of distribution (other than annuities established prior to 2020), the SECURE Act requires that distribution to a Designated Beneficiary must occur by the end of the tenth calendar year following a Member's death unless the Designated Beneficiary is also an Eligible Designated Beneficiary, which includes the following:

- The Member's Surviving Spouse,
- A beneficiary no more than ten (10) years younger than the deceased Member,
- A beneficiary who meets the definition of disabled or chronically ill under the Internal Revenue Code, or
- A Member's minor child (but only until the child is the age of majority under state law).

Divorce or Dissolution

A divorce or dissolution of partnership revokes a beneficiary designation that names the former spouse or former ESGP. In order to name a former spouse or former ESGP as Designated Beneficiary, a new beneficiary designation form – dated after the date of the divorce decree or dissolution of partnership – must be completed and provided to Portico.

Appeal Procedure

If a Member applies for a benefit under the Plan and the benefit received is not the benefit that was expected, or the benefit is denied and the Member believes he/she is entitled to such benefit under the Plan, the Member must contact the Portico Customer Care Center. If the Member is dissatisfied with the decision, the Member must proceed as follows:

Appeal to the President

An appeal may be made in writing, within 60 days of the receipt of any unsatisfactory determination, to the President of Portico Benefit Services. The appeal should contain a statement of the facts, including any new or additional information not considered in the initial decision, and a statement of the desired outcome. The President will review the appeal with the advice and counsel of the internal appeals committee that consists of at least 3 staff members who were not involved in the original decision. The President will respond to the appeal within 30 days of receipt of a signed authorization for disclosure of protected health information, unless the President notifies the individual making the appeal of the need for an additional 30 days to consider the appeal. The President may only approve an appeal if it is determined that an error was made in the initial benefits determination, or the appeal involves matters relating to Plan interpretation. In the case of changing technology or circumstances, the President may recommend an expansion of benefit coverage requiring Plan amendments, which may or may not be retroactive. All such Plan amendments must be approved by the President, the Board of Trustees, and/or the Church Council.

Appeal to the Appeals Committee of the Board of Trustees

If an individual is dissatisfied with the President's decision, he/she must appeal to the Appeals Committee of the Board of Trustees of Portico Benefit Services within 60 days of receipt of the President's written response. The Appeals Committee will consist of 5 to 7 members of the Board of Trustees, at least one of whom is a participant in a plan under the Traditional Benefits Program. The Appeals Committee may also include outside independent consultants with expertise in the area of the appeal who will serve with voice but without vote. The Appeals Committee will schedule a meeting to review the appeal within 30 days of receipt. The final written decision of the Appeals Committee will be sent to the individual making the appeal within 60 days after receiving a signed authorization for disclosure of protected health information.

Court System

If an individual has exhausted the appeals process and is dissatisfied with the final decision of the Appeals Committee of Portico Benefit Services, he/she must initiate legal action in the Minnesota Fourth Judicial District Court, Hennepin County. Any removal of such action must be to the United States Court for the District of Minnesota. Legal action cannot be taken more than 3 years after the date of the event upon which the claim is based. Members, Surviving Spouses, Designated Beneficiaries, Alternate Payees and other parties claiming a benefit or right under the ELCA Retirement Plan irrevocably and unconditionally waive, to the fullest extent permitted by applicable law, any right they may have to a trial by jury in any legal action, proceeding, cause of action, or counterclaim arising out of or relating to the ELCA Retirement Plan.

Assignment of Retirement Benefits

Except as provided in the Plan or required by law, the interests of persons entitled to benefits under this Plan may not in any manner whatsoever be assigned or alienated, whether voluntarily or involuntarily, or directly or indirectly.

Qualified Domestic Relations Order (QDRO)

The Plan is a "church plan" and has an exempt status under the provisions of the Employee Retirement Income Security Act and the Internal Revenue Code. However, a court judgment, decree, or order that provides for child support, alimony, maintenance payments, and/or marital property rights to a spouse, former spouse, child, or other dependent (Alternate Payee) of a Member will be honored, provided the court judgment, decree, or order meets the requirements of a Qualified Domestic Relations Order as provided under Internal Revenue Code § 414(p).

Upon Fidelity's receipt and review of a QDRO for retirement plan funds, Portico will assign up to 100% of:

- A Member's Retirement Account to the Alternate Payee. The portion assigned will be transferred to a separate account in the Alternate Payee's name. The Alternate Payee will have substantially all of the rights of investment, transfer, withdrawal, and retirement payment forms that are available to the Member.

- A Fidelity processing fee of $200 will be assessed against the member's account.

Upon Portico's receipt of a QDRO for annuity payment benefits, Portico will assign up to 100% of:

- A Member's monthly annuity benefit to the Alternate Payee. The Alternate Payee will continue to receive the assigned portion of the Member's monthly annuity benefit and applicable adjustments until the death of the Member. Upon the death of the Member, the Alternate Payee's monthly annuity benefit, if any, will be determined by the type of annuity benefit selected by the Member.

Miscellaneous Provisions and Disclosures

Plan Documents

The Retirement Plan documents are available by contacting the Portico Customer Care Center. This Summary Plan Description, along with summaries and information about all other plans, is available at *myPortico.PorticoBenefits.org* or by contacting the Portico Customer Care Center. Current versions replace and supersede all prior versions. Each of the plans is governed and administered individually through a separate plan document. The assets of each plan are held in separate trusts and do not allow one plan to fund another plan. The plans are church plans, as defined in Internal Revenue Code §414(e) and are not subject to the Employee Retirement Income Security Act.

Amendments to the Plan

The ELCA Churchwide Assembly, the ELCA Church Council, or Portico may propose amendments to the Plan. All proposed amendments must be submitted to Portico for recommendation before final action is taken by the ELCA Church Council. An amendment will not reduce a Member's Retirement Account balance on the effective date of the amendment. See the *Investment Memorandum for the ELCA Participating Annuity Trust* for more details about amendments to the Annuity Trust.

Termination of the Plan

The ELCA Church Council may terminate the Retirement Plan by following the previously described amendment process. If the Plan is terminated, the existing funds in Members' Retirement Accounts may be distributed in such manner as Portico, in its sole discretion, determines is fair and equitable. After termination, contributions can no longer be made to the Plan. Termination of the Plan will not reduce a Member's Retirement Account balance.

Obligations of a Sponsored Member

A Sponsored Member will comply with all requirements established by Portico regarding enrollment and administration of the Plan including, but not limited to, providing the Sponsored Member's date of birth, marital status, marital and family support obligations, social security number, and disabled status.

If the Sponsored Member does not comply with reasonable requirements or knowingly provides false, inaccurate, or misleading information, the Sponsored Member will be obligated to reimburse Portico for the reasonable expenses and damages incurred by Portico as the result of the failure including, but not limited to, an amount determined by Portico to be the additional staff expense related to discovering, correcting, and/or adjusting for such failure. Portico may charge the Sponsored Member's future benefit payments under this Plan, if any, for the additional expense.

Administration by Portico Benefit Services

This Plan is administered by the Board of Pensions of the Evangelical Lutheran Church in America, doing business as Portico Benefit Services. Except as otherwise stated in this Summary Plan Description, Portico will control and manage the operation and administration of the Plan and make all related decisions and determinations.

Portico does not provide legal or tax advice. For legal or tax questions, or specific advice, Members should consult with a legal and tax advisor.

Portico will be paid a reasonable fee from the ELCA Retirement Trust for administrative services provided by Portico to the Plan and the ELCA Retirement Trust, including a fee for informing employees and employers of the availability of the Plan. The fee charged to the ELCA Retirement Trust will create a lien on the ELCA Retirement Trust until paid.

During the operation and administration of the Plan, certain mathematical and accounting errors may be made or mistakes may arise for various reasons, including from factual errors in information supplied to Portico. Portico has the power to make an equitable adjustment to correct the errors as Portico, in its sole discretion, considers appropriate. All adjustments will be final and binding on all persons.

Limitation of Liability

Portico will not be liable for a Participating Employer's failure to enroll an individual in the Plan or failure to make contributions to the Plan. Portico is also not liable to any Sponsored Member or other person or entity for any of its acts carried out in good faith and based upon information available at the time.

Not a Party to Contract Between an Employer and an Employee

An Eligible Employee may have certain employment or contractual rights which, as between the Eligible Employer and the Eligible Employee, may obligate the Eligible Employer to make contributions to the Plan on behalf of the Eligible Employee. Portico is not a party to any such contract. If the Eligible Employer does not fulfill its obligations under such contract, the Eligible Employee can look only to the Eligible Employer to settle the dispute. Portico will not be liable for a Participating Employer's failure to enroll an Eligible Employee in the Plan or failure to make contributions to the Plan. Portico will not provide coverage under this Plan if it has not received contributions.

Rules of Construction and Applicable Law

The Plan will be construed and administered according to the laws of the State of Minnesota, to the extent that such laws are not preempted by the laws of the United States of America. All controversies, disputes, and claims arising hereunder must be submitted to the Minnesota Fourth Judicial District Court, Hennepin County.

Fund Managers

The ELCA Retirement Plan investment funds are not registered mutual funds, but rather investment pools managed separately under Portico supervision. Portico is responsible for establishing the investment objectives and strategy for the various investment choices in the Retirement Plan. Portico investment staff identifies qualified money managers in each investment category to assist in carrying out Portico's strategy.

A complete list of investment fund managers for each fund can be found in the *ELCA Investment Fund Descriptions* booklet available at *myPortico.PorticoBenefits.org/summaries* or by contacting the Portico Customer Care Center. Portico reserves the right to change investment managers at any time without notice.

USERRA

Contributions, benefits, and service credit related to qualified military service will be provided as specified under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), regardless of any Plan provision to the contrary.

Confidentiality

Portico maintains a written confidentiality policy. Without prior written consent, neither Portico nor the recordkeeping service will disclose confidential information relating to a Member's Retirement Account to any person other than agents who provide services to Members on behalf of the Member, the Member's spouse or ESGP, or the Plan. In addition, no employee of Portico, the Member's employer, or the recordkeeper will have access to confidential information relating to a Member's Retirement Account, except as required to ensure proper administration of the Plan. Portico may disclose information under an order or request from a court or administrative agency, which it determines is validly issued and binding.

Unclaimed Benefits

If benefits are not claimed within three years from the date they were due to be paid (as determined by Portico or the provider of recordkeeping services) and the Member cannot be located, the Retirement Account balance may revert to the Member's state of residence on file, in accordance with state escheat laws.

Securities Law Exemption

The ELCA Retirement Plan, Portico, and each of the investment funds are not subject to registration, regulations, or reporting under the Investment Company Act of 1940, the Securities Act of 1933, the Securities Exchange Act of 1934, the Investment Advisers Act of 1940, or state securities laws. Therefore, Members are not afforded the protections of the provisions of those laws and related regulations. Plan administration and plan asset management are subject to prudent investor and exclusive benefit rules.

Investment Redemptions

Investment redemptions may be delayed or suspended if (a) the investment has insufficient liquidity to fund pending redemptions without adversely affecting the non-redeeming investors, (b) the value of any relevant investment's assets cannot be reasonably determined, (c) one or more of the markets on which the relevant investment's assets are traded are closed or otherwise not functioning in a normal manner, or (d) if for any other reason, based upon reasonable belief, such a delay or suspension is appropriate in order to avoid adversely affecting the non-redeeming investors. All benefits under this Plan are provided only from the appropriate investment fund(s), and only to the extent that such investment fund(s) is adequate.

Utilizing Financial Futures and/or Options

In managing funds, Portico may use financial futures and/or options to help control overall portfolio risk and potentially enhance portfolio values and returns. Portico is not required to register as a commodity pool operator under the Commodity Futures Trading Commission (CFTC) rules and is not subject to the operating criteria of CFTC Rule 4.5. Nevertheless, Portico uses financial futures and options prudently within the context of total portfolio circumstances for the purpose of furthering the Plan's objective.

Workers' Compensation Claim Form (DWC 1) & Notice of Potential Eligibility
Formulario de Reclamo de Compensación de Trabajadores (DWC 1) y Notificación de Posible Elegibilidad

If you are injured or become ill, either physically or mentally, because of your job, including injuries resulting from a workplace crime, you may be entitled to workers' compensation benefits. Attached is the form for filing a workers' compensation claim with your employer. **You should read all of the information below.** Keep this sheet and all other papers for your records. You may be eligible for some or all of the benefits listed depending on the nature of your claim. If required you will be notified by the claims administrator, who is responsible for handling your claim, about your eligibility for benefits.

To file a claim, complete the "Employee" section of the form, keep one copy and give the rest to your employer. Your employer will then complete the "Employer" section, give you a dated copy, keep one copy and send one to the claims administrator. Benefits can't start until the claims administrator knows of the injury, so complete the form as soon as possible.

Medical Care: Your claims administrator will pay all reasonable and necessary medical care for your work injury or illness. Medical benefits may include treatment by a doctor, hospital services, physical therapy, lab tests, x-rays, and medicines. Your claims administrator will pay the costs directly so you should never see a bill. There is a limit on some medical services.

The Primary Treating Physician (PTP) is the doctor with the overall responsibility for treatment of your injury or illness. Generally your employer selects the PTP you will see for the first 30 days, however, in specified conditions, you may be treated by your predesignated doctor or medical group. If a doctor says you still need treatment after 30 days, you may be able to switch to the doctor of your choice. Different rules apply if your employer is using a Health Care Organization (HCO) or a Medical Provider Network (MPN). A MPN is a selected network of health care providers to provide treatment to workers injured on the job. You should receive information from your employer if you are covered by an HCO or a MPN. Contact your employer for more information. If your employer has not put up a poster describing your rights to workers' compensation, you may choose your own doctor immediately.

Within one working day after you file a claim form, your employer shall authorize the provision of all treatment, consistent with the applicable treating guidelines, for the alleged injury and shall continue to be liable for up to $10,000 in treatment until the claim is accepted or rejected.

Disclosure of Medical Records: After you make a claim for workers' compensation benefits, your medical records will not have the same level of privacy that you usually expect. If you don't agree to voluntarily release medical records, a workers' compensation judge may decide what records will be released. If you request privacy, the judge may "seal" (keep private) certain medical records.

Payment for Temporary Disability (Lost Wages): If you can't work while you are recovering from a job injury or illness, for most injuries you will receive temporary disability payments for a limited period of time. These payments may change or stop when your doctor says you are able to return to work. These benefits are tax-free. Temporary disability payments are two-thirds of your average weekly pay, within minimums and maximums set by state law. Payments are not made for the first three days you are off the job unless you are hospitalized overnight or cannot work for more than 14 days.

Return to Work: To help you to return to work as soon as possible, you should actively communicate with your treating doctor, claims administrator, and employer about the kinds of work you can do while recovering. They may coordinate efforts to return you to modified duty or other work that is medically appropriate. This modified or other duty may

Si Ud. se lesiona o se enferma, ya sea físicamente o mentalmente, debido a su trabajo, incluyendo lesiones que resulten de un crimen en el lugar de trabajo, es posible que Ud. tenga derecho a beneficios de compensación de trabajadores. Se adjunta el formulario para presentar un reclamo de compensación de trabajadores con su empleador. **Ud. debe leer toda la información a continuación.** Guarde esta hoja y todos los demás documentos para sus archivos. Es posible que usted reúna los requisitos para todos los beneficios, o parte de éstos, que se enumeran, dependiendo de la índole de su reclamo. Si se requiere, el administrador de reclamos, quien es responsable por el manejo de su reclamo, le notificará sobre su elegibilidad para beneficios.

Para presentar un reclamo, llene la sección del formulario designada para el "Empleado," guarde una copia, y déle el resto a su empleador. Entonces, su empleador completará la sección designada para el "Empleador," le dará a Ud. una copia fechada, guardará una copia, y enviará una al administrador de reclamos. Los beneficios no pueden comenzar hasta, que el administrador de reclamos se entere de la lesión, así que complete el formulario lo antes posible.

Atención Médica: Su administrador de reclamos pagará toda la atención médica razonable y necesaria, para su lesión o enfermedad relacionada con el trabajo. Es posible que los beneficios médicos incluyan el tratamiento por parte de un médico, los servicios de hospital, la terapia física, los análisis de laboratorio y las medicinas. Su administrador de reclamos pagará directamente los costos, de manera que usted nunca verá un cobro. Hay un límite para ciertos servicios médicos.

El Médico Primario que le Atiende-*Primary Treating Physician PTP* es el médico con la responsabilidad total para tratar su lesión o enfermedad. Generalmente, su empleador selecciona al *PTP* que Ud. verá durante los primeros 30 días. Sin embargo, en condiciones específicas, es posible que usted pueda ser tratado por su médico o grupo médico previamente designado. Si el doctor dice que usted aún necesita tratamiento después de 30 días, es posible que Ud. pueda cambiar al médico de su preferencia. Hay reglas differentes que se aplican cuando su empleador usa una Organización de Cuidado Médico (HCO) o una Red de Proveedores Médicos (MPN). Una MPN es una red de proveedores de asistencia médica seleccionados para dar tratamiento a los trabajadores lesionados en el trabajo. Usted debe recibir información de su empleador si su tratamiento es cubierto por una HCO o una MPN. Hable con su empleador para más información. Si su empleador no ha colocado un cartel describiendo sus derechos para la compensación de trabajadores, Ud. puede seleccionar a su propio médico inmediatamente.

Dentro de un día después de que Ud. Presente un formulario de reclamo, su empleador autorizará todo tratamiento médico de acuerdo con las pautas de tratamiento aplicables a la presunta lesión y será responsable por $10,000 en tratamiento hasta que el reclamo sea aceptado o rechazado.

Divulgación de Expedientes Médicos: Después de que Ud. presente un reclamo para beneficios de compensación de trabajadores, sus expedientes médicos no tendrán el mismo nivel de privacidad que usted normalmente espera. Si Ud. no está de acuerdo en divulgar voluntariamente los expedientes médicos, un juez de compensación de trabajadores posiblemente decida qué expedientes se revelarán. Si Ud. solicita privacidad, es posible que el juez "selle" (mantenga privados) ciertos expedientes médicos.

Pago por Incapacidad Temporal (Sueldos Perdidos): Si Ud. no puede trabajar, mientras se está recuperando de una lesión o enfermedad relacionada con el trabajo, Ud. recibirá pagos por incapacidad temporal para la mayoría de las lesions por un period limitado. Es posible que estos pagos cambien o paren, cuando su médico diga que Ud. está en condiciones de regresar a trabajar. Estos beneficios son libres de impuestos. Los pagos

be temporary or may be extended depending on the nature of your injury or illness.

Payment for Permanent Disability: If a doctor says your injury or illness results in a permanent disability, you may receive additional payments. The amount will depend on the type of injury, your age, occupation, and date of injury.

Supplemental Job Displacement Benefit (SJDB): If you were injured after 1/1/04 and you have a permanent disability that prevents you from returning to work within 60 days after your temporary disability ends, and your employer does not offer modified or alternative work, you may qualify for a nontransferable voucher payable to a school for retraining and/or skill enhancement. If you qualify, the claims administrator will pay the costs up to the maximum set by state law based on your percentage of permanent disability.

Death Benefits: If the injury or illness causes death, payments may be made to relatives or household members who were financially dependent on the deceased worker.

It is illegal for your employer to punish or fire you for having a job injury or illness, for filing a claim, or testifying in another person's workers' compensation case (Labor Code 132a). If proven, you may receive lost wages, job reinstatement, increased benefits, and costs and expenses up to limits set by the state.

You have the right to disagree with decisions affecting your claim. If you have a disagreement, contact your claims administrator first to see if you can resolve it. If you are not receiving benefits, you may be able to get State Disability Insurance (SDI) benefits. Call State Employment Development Department at (800) 480-3287.

You can obtain free information from an information and assistance officer of the State Division of Workers' Compensation (DWC), or you can hear recorded information and a list of local offices by calling **(800) 736-7401**. You may also go to the DWC website at www.dwc.ca.gov.

You can consult with an attorney. Most attorneys offer one free consultation. If you decide to hire an attorney, his or her fee will be taken out of some of your benefits. For names of workers' compensation attorneys, call the State Bar of California at (415) 538-2120 or go to their web site at **www.californiaspecialist.org**.

por incapacidad temporal son dos tercios de su pago semanal promedio, con cantidades mínimas y máximas establecidas por las leyes estatales. Los pagos no se hacen durante los primeros tres días en que Ud. no trabaje, a menos que Ud. sea hospitalizado una noche o no pueda trabajar durante más de 14 días.

Regreso al Trabajo: Para ayudarle a regresar a trabajar lo antes posible, Ud. debe comunicarse de manera activa con el médico que le atienda, el administrador de reclamos y el empleador, con respecto a las clases de trabajo que Ud. puede hacer mientras se recupera. Es posible que ellos coordinen esfuerzos para regresarle a un trabajo modificado, o a otro trabajo, que sea apropiado desde el punto de vista médico. Este trabajo modificado u otro trabajo podría ser temporal o podría extenderse dependiendo de la índole de su lesión o enfermedad.

Pago por Incapacidad Permanente: Si el doctor dice que su lesión o enfermedad resulta en una incapacidad permanente, es posible que Ud. reciba pagos adicionales. La cantidad dependerá de la clase de lesión, su edad, su ocupación y la fecha de la lesión.

Beneficio Suplementario por Desplazamiento de Trabajo: Si Ud. SUBJECT: Safe Church
P&P 2.6

INTRODUCTION

As a faith community, Ascension Evangelical Lutheran Church ("Church") is committed to providing a safe environment for our children, youth, members, and staff so that we can "*create opportunities for all people to become devoted followers of Christ."* We do this through our ALC Safe Church Policy, which shall be referred to as the "Policy" within this document. The purpose of this policy is to establish the procedures and elements of a program that will foster a safe environment and prevent abuse from occurring in any Church related ministry.

PROCEDURES

I. Church Personnel Screening and Orientation

There are three steps involved with completing the ALC Safe Church Screening and Orientation Process: Application and Background Check, Memorandum of Understanding, and Orientation Training.

For the purposes of this policy, "Church Personnel" refers to all paid and volunteer personnel of Ascension Evangelical Lutheran Church & School, 18 years and older, whether lay or clergy, who are qualified by fulfilling the requirements of the Policy in order to serve in positions of leadership for any youth and children's ministry activity. These requirements must be completed prior to serving in any youth and children's ministry activity. (Note: One time exceptions to this can be made for those serving in the capacity of 'one-time helper' or 'guest speaker' where they are constantly under the supervision of Church Personnel and are never alone with youth.)

A. Application and Background Check

All Church Personnel who seeks to serve in any capacity with Children or Youth ministry at the Church will complete the ALC Safe Church Application. Prior to starting service in ministry activities with Children or Youth, the applicant must have completed the Application, and cleared the background checks from the LiveScan fingerprinting process and Protect My Ministry electronic check.

B. Memorandum of Understanding

1. Church Personnel must review this policy and indicate understanding and agreement to uphold the expectations and Standards of Behavior described in this policy via signing the Memorandum of Understanding.
2. The Memorandum of Understanding will be returned with the Application and retained within the Church office.

3. All Church Personnel will be expected to complete a new Memorandum of Understanding annually.

C. Orientation Training

Church Personnel will attend a training and procedures orientation session prior to serving to familiarize them with the Policy.

II. Confidentiality

All Church Staff involved with handling screening records shall maintain confidentiality and shall have signed a Confidentiality Statement to this effect. Confidentiality means that:

- Information is not shared from the Application forms, references, or background records checks with anyone other than Church Staff responsible for supervising the Church Personnel.
- All paperwork related to the Safe Church Program is treated as confidential.

While the results of the background records checks are legally public information, as a courtesy, they will be treated as confidential. If someone asks for the results of a check, they will be advised as to how they might get the information from the Department of Justice.

III. If Inappropriate Behavior is Suspected

If any Church Personnel is suspected of inappropriate behavior (ie. physical, sexual, emotional or verbal abuse, threats or intimidation) or there is any situation that does not seem to be following the expectations described in this policy, the person identifying the behavior or situation shall report it immediately to one of the Safe Church Policy Stewards for investigation. If one is a mandated reporter under California *Penal Code* Sections 11164 *et seq*., the reporting required by this policy is intended to be in addition to, not instead of, such legally mandatory reporting obligations.

IV. Safe Church Policy Stewards

There shall be a group of at least three Church Personnel, recommended by Church Staff and affirmed by the Church Council as 'Safe Church Policy Stewards' who will have the following responsibilities on behalf of the Church:

- Own this policy and review it on an annual frequency to make certain that it reflects the expectations of the Church.
- Individually serve as confidants who may receive notification of suspected inappropriate behavior as noted in section III above.
- As a group, the Safe Church Stewards shall investigate any notifications received and take commensurate action to address and prevent any situations of abuse.

V. Emergency Procedure:

In the event of an emergency during Church programming on Church property, the following procedures apply (from ALS Handbook updated 9/4/18 2018-19)

- In the event of an emergency / natural disaster, the entire campus will be evacuated to the secured school parking lot or other designated location or shelter in place.
- All ALS classrooms (also used for ALC Sunday School) have a red backpack containing emergency supplies. All rooms have a crowbar for moving large objects.
- A command center, first aid station and temporary restrooms will be established at the evacuation site.
- Blankets, food, water, AM/FM radio with batteries, flashlights and the list of recommended emergency/disaster supplies are located in the storage bin on the property behind the garden.

What happens in an emergency?

1. When parents and/or authorized legal guardians arrive to collect their children they must provide identification before the child will be released. NO ADULT IS TO LEAVE THE CHURCH WITH A CHILD UNLESS THE CHILD HAS BEEN SIGNED OUT AT THE EMERGENCY OPERATION CENTER (EOC).
2. Children may be picked up at the location designated by the EOC as the PICKUP POINT.
3. Parents will be asked to keep clear of all access roads and parking lots so that emergency vehicles can arrive safely and easily.
4. Should children need to be evacuated from the campus, they will be taken to the nearest available safe location in accordance with emergency personnel direction.

VI. STANDARDS OF BEHAVIOR

1. **Adult Leadership to Student Ratio Guideline**: The following chart outlines minimal levels of adult supervision recommended for all children and youth ministry activities.

Age Group	# Children / Youth	# Church Personnel
Little Lambs (2 y) - Kindergarten	Up to 10 Above 10	At least two Church Personnel (at least one must be an adult) One additional Church Personnel for each 5 additional children
1st - 6th Grade	Up to 15 Above 15	At least two Church Personnel (at least one must be an adult) One additional Church Personnel for each 5 additional children
7th - 8th Grade 9th - 12th Grade	Up to 20 Above 20	Youth activities can occur with one adult Church Personnel. At least one additional Church Personnel shall be present for groups over 20.

2. **Rule of Three**: A Church Personnel (regardless of person's age) should never be alone with a child or youth. A one-time Helper may assist a Church Personnel in an

activity to achieve the requirements of 'rule of three.' Example: a leader and two children/youth, two adults and a child/ youth. The allowable exception to this Rule of Three is that Church Staff may provide private consultation to Youth when conducted in a room with a window in the door and with another adult in the general area.

3. **Open Door Policy**: Parents and guardians are always informed of and welcome to attend classes, rehearsals, practices, programs, meetings, and events.

4. **No Secret Activities:** All aspects of church programs are open to observation by parents and church members. No Church Personnel or Helpers who work with children and youth will conduct secret activities or ask that activities be kept secret.

5. **Discipline:** Discipline used in church activities shall be constructive, respectful and reflect Christian values.

- Physical (e.g., spanking, hitting, slapping, or any form of physical punishment), sexual or emotional punishment is not permitted.
- Verbal reprimands shall not include destructive criticism, insults or shouting.
- Never deny basic necessities, such as food, clothing, shelter or medical care.
- Church Personnel participating in any activity with children or youth are encouraged to listen to the child or youth, communicate expectations of appropriate behavior, use time-outs or give alternate choices.

6. **Private Consultations:** Any meetings between A Church Staff member and a youth shall occur in a room with a window in the door and when another adult is in the general area.

7. **Four Year Separation Rule:** When using young adults as primary leaders, there shall be a four-year separation in age between these leaders and those they are supervising or leading.

8. **Transportation**: Transportation to and from events is the responsibility of the families or families may delegate to Church designated transportation when provided (e.g. the Church bus). When taking Church designated transportation, an approval form signed by the parent / guardian needs to be signed and on file with the Church, copies of these approved forms must be present during activities requiring transportation. During events, drivers shall avoid dropping off or picking up youth without prior written approval from the parent or guardian.

9. **Respect of Privacy:** Church Personnel need to respect the privacy of youth and intrude only insofar as health and safety require. Situations requiring privacy include using rest rooms, changing clothes and taking showers. If an adult accompanies a small child to the bathroom, the outer door of the bathroom will be propped open. If an adult accompanies a child into the stall of the restroom, two adults should be present. Adult

leaders and staff must wear pajamas or similar clothing when sleeping and swimming suits when swimming.

10. **Youth Group Activities:** All participants are to stay with the group, while the activity is in progress unless specifically given permission or directed by the group leader. If/when the youth break into separate groups for any reason, participants should stay with their groups of at least three or more. Setting boundaries is the responsibility of the adults.

11. **Start / End of Activity:** When participants are gathering or leaving, the activity leader needs to make certain that the 'rule of three' is upheld at all times.

12. **Overnights:** When an activity/trip involves overnights, all activities shall be conducted where adult supervision is present. A minimum of two adult leaders will be present at an overnight activity.

- If youth participants include males and females, the adult leaders should be males and females. Should these adults be husband and wife, a third adult advisor is suggested.

- One youth shall not sleep alone in a tent, bedroom, or hotel room with one adult, unless the adult is their parent. When youth and adults share a tent, bedroom, or hotel room, there should be at least three individuals per room. An adult must not occupy the same bed as a youth unless it is the youth's parent or legal guardian.

- Males and females will sleep in separate areas. If separate rooms are not available, a barrier will be established and have separate access to bathroom facilities. When separate shower facilities are not available, separate shower schedules for males and females will be established. There must be gender appropriate chaperones in each area.

- Parents will be advised of the names of the adult leaders for any youth-related trips and will be notified of any changes in adult leadership via email, phone, or text.

- Housing: When private homes are used for overnight events, the Church Staff will make final approval of all adults involved. At least two youth will be assigned to each home.

13. **Nursery**: The ALC nursery will have an identification system that links each child and his/her parent(s) or legal guardian(s) so that no unauthorized person may take the child without consent of the parents or legal guardians. The nursery will have two adults or one adult and one youth on duty at all times of operation.

14. **No Sexual Activity**: No sexual contact is permitted between adults and youth or between youth and youth. Sexual comments or jokes, the showing of sexual pornographic material, the exposure of sexual parts of the body or other sexually

abusive behaviors are prohibited.

15. **No Dating:** Church Personnel will not date or be romantically involved with children or youth.

16. **No Hazing and Harassment:** Physical or verbal hazing, harassment, and initiations of a demoralizing nature or potentially harmful (physically or mentally) are prohibited at all church activities. This includes the use of put-downs and excessive teasing.

17. **No Drugs, Alcohol, Tobacco, e-cigarettes, Vaping:** The use of tobacco, alcohol, e-cigarettes, vaping, or any illicit drugs or over-the-counter or prescription drugs not used for their intended purpose, (except for wine used in communion) shall not be used by any youth while participating in any congregation sponsored youth event. Use of such products will result in the offending youth being removed from the activity and sent home. Parents will be notified of the offense.

18. **Visitors On-site:** During any children / youth activities, the Church Personnel leading the activity shall be aware of who is visiting any space where children / youth are present. Visitors must check in with an authorized person in charge. If someone looks out of place, it is required to ask who they are and how they are related to the activity and inform the Church Personnel in charge of the activity to greet the visitor and make certain the Safe Church Policy is upheld.

19. **Reporting Responsibilities:** Any inappropriate conduct or suspected violation of these standards shall be reported to a Safe Policy Steward. If unsure whether or not the suspected case would violate the standards outlined here, one must err on the side of caution and report the suspicion immediately.

GUIDANCE ON APPROPRIATE AND INAPPROPRIATE AFFECTION

Christian ministries are committed to creating and promoting a positive, nurturing environment for our children's and youth ministries that protect our children and youth from abuse and our Church Personnel from misunderstandings. When creating safe boundaries for children and youth, it is important to establish what types of affection are appropriate and inappropriate; otherwise that decision is left to each individual. Stating which behaviors are appropriate and inappropriate allows Church Personnel to comfortably show positive affection in ministry, and yet identify individuals who are not maintaining safe boundaries with children or youth.

The following guidelines are to be carefully followed by all Church Personnel working around or with children or youth.

Appropriate Affection

Love and affection are part of church life and ministry. There are many ways to demonstrate affection while maintaining positive and safe boundaries with children and youth. A good guide to follow is to allow the child the initiate any show of affection. Some positive and appropriate forms of affection are listed below:

- Brief hugs. Preferred hugs are side-to-side hugs, one-arm hugs and a-frame hugs.
- Pats on the shoulder or back
- Handshakes
- "High-Fives" and hand slapping
- "Fist bumps"
- Verbal praise
- Touching hands, faces, shoulders and arms of children or youth
- Arms around shoulders
- Holding hands while walking with small children
- Sitting beside small children
- Kneeling or bending down for huddles with small children
- Holding hands during prayer
- Pats on the head when culturally appropriate (for example, this gesture should typically be avoided in some Asian communities.)

Inappropriate Affection

The following forms of affection are considered inappropriate with children and youth in ministry settings because many of them are the behaviors that child molesters use to groom children or youth and their parents for later molestation or can be, in and of themselves, sexual abuse.

- Inappropriate or lengthy embraces
- Kisses
- Holding children over three years old on the lap
- Any sexualized touching; Touching bottoms, chests or genital areas other than for appropriate diapering or toileting of infants and toddlers.
- Showing affection in isolated areas such as bedrooms, closets, staff-only areas or other private rooms.
- Occupying a bed with a child or youth
- Touching knees or legs of children or youth
- Wrestling with children or youth
- Tickling children or youth
- Piggyback rides
- Any type of massage given by a child or youth to an adult
- Any type of massage given by an adult to a child or youth
- Any form of unwanted affection or physical contact
- Comments or compliments (spoken, written, or electronic) that relate to physique or body development. Examples would be, "You sure are developing," or "You look really hot in those jeans"
- Snapping bras or giving wedgies or similar touch of underwear

- Giving gifts or money to individual children or youth
- Private meals with individual children or youth
- Private 1 to 1 email, texting, or written communications with children or youth.
- Private scheduled meetings, outings or events just with child or youth

DIGITAL COMMUNICATIONS & SOCIAL MEDIA

Digital communications include all forms of communicating by smart phone or computer e.g. texting, e-mail, Snapchat, and use of any form of social media. Social media are a collection of online platforms and tools that people use to share content, profiles, opinions, insights, experiences, perspectives, and media itself, facilitating conversations and interactions online between groups of people.
It is important to be mindful of the facts that 1) digital communications last forever and 2) digital communications can end up anywhere and in anyone's possession beyond the people intended to receive the message.

Social Media Posts: Social media, by its very definition is a public forum. There is no privacy in social media, even with the use of security settings. Think before you post. Would you say this in a room filled with congregation members? With youth? Be aware of unintended consequences interpretation posts.

Texting / email / digital messages: Digital communications such as text messaging and email can be an efficient and effective way in communicating with youth. Similar to in person communication, the 'rule of three' is a best practice to apply for digital communications for Church Personnel. Volunteers must not use 1 to 1 digital communication with any child / youth.

"Friending:" Friending youth is a powerful ministry tool when used appropriately. When adults "friend" people under age 18 they should also request to "friend" their parents. Involving parents in this decision is important. An example of this request: *"I would like to request to be your child's friend on Facebook and/or Twitter. I prefer "friending" both youth and their parents as part of my practice to promote transparency and appropriate adult – youth relationships. I encourage you to monitor all of your child's social media practice. I am happy to support you in navigating social media with your youth."* This practice promotes the safety of children and youth while providing good accountability with the adults who work with youth.

Facebook Groups or Pages: Consider communities that gather on Facebook in the same way you would a community gathered in a room or a home. Facebook pages

associated with ALC ministries shall be monitored by Church Staff to make certain that expectations set forth in the Safe Church Policy are upheld.

Subject: **Gift Acceptance Policy** **P&P 3.3**

1.0 PURPOSE

The purpose of this policy is to establish parameters, guidelines, procedures, and authorizations governing the acceptance of gifts to Ascension Lutheran Church ("ALC") that do not fall into the established benevolences and funds of the Church, School, Early Childhood Center or Foundation.

2.0 POLICY

Most gifts to ALC are unrestricted gifts of current, liquid assets, such as cash or publicly traded securities, and present no special problems in their acceptance. However, other gifts, such as restricted gifts, deferred gifts, or gifts of non-liquid assets, must be more stringently evaluated for their suitability, acceptability, and appropriateness prior to their acceptance. With respect to the acceptance of proposed gifts, ALC has established the following goals:

2.1 To protect the interests of ALC and insure that gifts are consistent with and benefit the mission of ALC and its various programs.

2.2 To work with the donor to structure all major gifts to ALC to obtain the maximum benefit for the donor and for ALC, but without providing tax or financial advice to the donor, and without guaranteeing any particular tax or financial outcome.

2.3 To ensure that gifts do not negatively impact the financial or human resources of ALC, and that they do not impose terms and conditions that are not acceptable or are burdensome.

2.4 To optimize the opportunities to secure maximum gifts from individuals, corporations, institutions, and other entities without compromising or endangering the mission or the reputation of ALC.

3.0 PROCEDURES

3.1 A Gift Acceptance Committee ("GAC") is a standing committee, and shall consist of the Immediate Church Council Past President, Church Council President-elect, Foundation Representative to the Church Council, and School Board Representative to the Church Council. The Pastor (s) of ALC shall serve as ex-officio members of the committee and shall provide counsel and guidance when requested. No member shall participate in any decisions of the GAC pertaining to a gift of property in which that member has a financial or other interest, or will receive financial or other compensation.

3.2 The GAC and ALC shall abide by federal, state and local laws and shall be governed by the ethical standards set forth by the Evangelical Lutheran Church in America (ELCA).

3.3 Every gift given to ALC which is not a current, unrestricted gift of a liquid asset, shall not be accepted by ALC until first evaluated by the GAC for suitability and appropriateness. Any restrictions on that gift shall be taken into consideration and be weighed on the basis of the benefit to and/or the impact on ALC. If the committee believes that the gift may not be suitable for the needs of ALC or will have a materially negative impact on the financial or human resources of ALC, that gift shall not be accepted, and such decision shall be reported to the Church Council of ALC. The President of the Congregation will assume the responsibility of notifying the donor of the church's decision on whether to accept the proposed gift.

3.4 All gifts made to, and accepted by, ALC, are irrevocable. ALC may not return a gift to a donor unless the GAC concludes, after review of the facts of the gift that the gift was made as a result of a mistake by the donor. When a gift is made to ALC, the Church Council and/or its committees shall have sole authority and discretion concerning when, where, and how the gift will be best used (unless restricted by the donor at the time the gift was made). If a donor makes a

restricted gift, and ALC accepts the gift with restrictions, the donor cannot change that restriction except for good cause and with the consent of the GAC.

3.4.a In the event that any gift falling under this policy is given directly to Ascension Lutheran School or the Ascension Early Childhood Center, the School Board will be notified, and the School Board will provide a non-binding recommendation to the GAC prior to a decision being made. The purpose of notice and recommendation is to ensure the School Board Representative to the Church Council is best positioned to represent the consideration of the full School Board, and the School Board and the GAC can effectively partner to investigate and/or manage donor expectations as required.

3.5 Guidelines for the GAC:

3.5.a The gift and any restrictions on the gift, must be reasonable and appropriate for use by ALC, either now or in the future.

3.5.b Any restrictions on the gift should not have or create a negative impact on the mission, objectives, or financial resources, human resources, property or any possessions owned or operated by ALC.

3.5.c ALC shall not be required to incur any unnecessary or unreasonable expenses to maintain, evaluate, hold, keep or dispose of the gift.

3.5.d ALC shall have the power to dispose of the gift, or otherwise convert the gift to cash or other easily liquidated assets, in an appropriate manner at any time or within a reasonable time after receipt and acceptance of the gift. Normally, such liquidation would be done upon receipt of the gift.

3.5.e In the event that funds are collected by ALC for a particular project or purpose, and excess funds are available after all expenses associated with that project have been paid, the GAC will recommend to the Church Council, for final action, how those funds of up to maximum of $50,000 should be redirected. Funds in excess of $50,000, restricted or not, shall be subject to limitations described in Section 3.5.g

3.5.f In the event that (i) uncertainty has arisen as to the proper or appropriate use of the funds received or (ii) the funds can no longer be used for the intended purpose, the Finance Director shall refer the situation to the GAC. The GAC will evaluate and investigate the facts as known and contact the gift donor, if possible, to clarify the designation or make a revised designation. The GAC will then make a recommendation for action to resolve the uncertainty or designation to the Church Council. The Church Council will ratify the recommendation of the GAC and document the ratification in the minutes of the Church Council or refer the matter back to the GAC for further assessment and consideration.

3.5.g. Unrestricted funds in excess of $50,000 may be held in a fund within the Foundation for the dedicated use of the One Ascension entities as recommended from time to time by the GAC. If a need for the funds within a five to seven year time frame has been identified the funds may be held in a liquid account such as a money market.

4.0 OUTRIGHT AND CURRENT GIFTS

4.1 Cash

4.1.a ALC shall accept gifts of cash or checks, regardless of the amount. Checks should be made out to Ascension Lutheran Church, Ascension Lutheran School, or ALECC.

4.2 Publicly Traded Securities

4.2.a ALC shall accept publicly traded securities (i.e., those traded on the NYSE, NASDAQ or other recognized exchanges). All securities received shall be sold immediately upon receipt. Any exception must be approved by the GAC.

4.2.b Donors may not request that ALC "hold" donated securities for a period of time.

4.2.c Unless otherwise required by the Internal Revenue Service, it is the responsibility of the donor to ascertain the value of the donated securities. The letter that acknowledges receipt of the gift shall specify the date of the gift, the legal name of the security, the number of shares received, and any other language required by the Internal Revenue Service. This letter shall also advise the donor that he/she must secure his/her own valuation.

4.3 Closely Held Stock

4.3.a ALC may accept gifts of unregistered or non-publicly traded securities. In such instances, the donor shall be required to obtain an appraisal of the securities, by an appraiser mutually agreed upon by donor and ALC. If the principal or sole asset owned by an unregistered or non-publicly traded company is real estate, then donor shall obtain an appraisal of the real estate by an appraiser mutually agreed upon by donor and ALC, in addition to an appraisal of the company itself.

4.3.b ALC shall seek and retain the advice of legal counsel and the GAC throughout the negotiations, acceptance, retention, dissolution and/or sale of such securities.

4.3.c As with publicly traded securities, the ALC sale such securities upon receipt or as soon thereafter as is reasonably practical, unless the GAC otherwise approves.

4.4 Real Property

4.4.a ALC shall accept gifts of real property that are determined to be reasonable and appropriate. The GAC shall assist in determining whether the proposed gift is acceptable.

4.4.b Prior to acceptance of real property, ALC requires that the donor provide an appraisal of the real property by an appraiser mutually agreed upon by donor and ALC, and that the donor provide a current preliminary title report. ALC shall closely evaluate each proposed gift of real property. ALC reserves the right to secure additional appraisals to assist in its evaluation.

4.4.c ALC shall engage outside counsel, if needed and all state laws and regulations regarding the transaction of real estate shall be followed.

4.4.d In the case of commercial or nonresidential property, ALC requires an environmental assessment be completed by professional consultants engaged at the expense of the donor. ALC shall not accept gifts of real property that are determined to have environmental problems or liabilities.

4.4.e ALC shall not accept real property that is encumbered by a deed of trust, mortgage, judgment or other lien, unless it determines that the value of the property substantially exceeds the amount of the encumbrances, and that the ALC shall not be liable for payment of the encumbrances until the donated real property is sold. ALC shall seek a legal opinion on its liability on the encumbrances to support its decision on whether to accept donation of encumbered real property.

4.4.f As with publicly traded securities, the normal policy of ALC is to dispose of real property upon receipt or as soon thereafter as is reasonably practical, unless the GAC otherwise approves.

4.5 Tangible Personal Property

4.5.a ALC reserves the right to refuse gifts of tangible personal property.

4.5.b If accepted, gifts of tangible personal property shall be credited to the donor as a gift in kind ("GIK") with no monetary value assigned. It is the donor's responsibility to ascertain the value of the contributed item(s).

4.5.c Tangible personal property that appears to be of significant value may be conditionally accepted by the GAC pending a qualified independent appraisal approved by ALC and carried out at the donor's expense. Under no circumstances shall a staff member assign a value, or even an approximate value, to a donated item.

4.5.d As with other non-cash gifts, the policy of ALC is to dispose of tangible personal property upon receipt or as soon thereafter as is reasonably practical, unless the GAC approves otherwise.

5.0 WILLS, TRUSTS AND LIFE INSURANCE PROCEEDS

5.1 ALC may accept gifts of Life Insurance proceeds, or specific bequests or distributions of property as the result of being named as a beneficiary in a will or trust. The gift, once received will be accepted according to the guidelines set forth in this policy. Whenever possible, the prospective donor is encouraged to contact the church and Pastor (s) so that their gift may fall within the parameters of these guidelines.

6.0 IDENTIFICATION OF GIFTS: MAINTENANCE OF REGISTER OF GIFTS

6.1 It is the policy of ALC that no items owned by the congregation shall be marked with any nameplate, legend or tag that identifies the donor, with the exception of items that were marked prior to the adoption of this policy. This policy includes both items donated in-kind and items acquired with specially donated funds. This policy does not mean that a donor may not be publicly identified at the time that the gift is accepted and thereafter from time to time as appropriate, but that no item may carry a legend identifying its donor. Exceptions to this policy may be reviewed by the GAC with final approval coming from the Church Council.

6.2 In order to preserve the history of the congregation, as that history is reflected in items that have been donated, a register shall be kept in which donated items are listed, along with their donors and the conditions of the gift, and other appropriate information. If appropriate, donated items may be discreetly marked with identification numbers or symbols that refer to this register of gifts. The register shall be the responsibility of the GAC.

SUBJECT:	Policy on Pastor Sabbaticals	P&P 3.4

1.0 PURPOSE. The purpose of this policy is to establish parameters, guidelines, and procedures for the administration of the Sabbatical leave of absence program for the pastoral staff of Ascension Lutheran Church.

2.0 BACKGROUND AND RATIONALE. The Sabbatical leave of absence program for pastoral staff was established in 2004 at Ascension Lutheran Church under the direction of the Congregational Council and has been effectively in place since that time. The original Policy 3.4 was drafted in 2011 to formalize the parameters and procedures applied to the program. This Policy 3.4, as written herein, shall be effective on the date approved by the Congregational Council as documented in Section 8.0 (Revision and Approval History) below. Subsequent revisions to this Policy shall be effective on the date a revised Policy 3.4 is approved by the Congregational Council.

3.0 REFERENCES. A Sabbatical is a spiritual practice that claims God's promise of Sabbath as given in Scripture (Genesis 2; Exodus 20:8-11) and intends to provide rest, renewal, rejuvenation, refreshment, and hope to the Pastor and Congregation as a whole. Other words to describe a Sabbatical experience could include: enrichment, contemplative practices, retreats, reading, study, spiritual growth, travel, skill development, and research.

4.0 DEFINITIONS. "A sabbatical offers opportunity to get off the treadmill and provides opportunity for renewal of vision and hope. It's more than just a chance to recharge your batteries for another year. It can be a life and soul-changing time, a time when perspective and the Holy Spirit can come together." (Alban Institute)

While pastors should be responsible for their own rest and refreshment, the nature of pastoral ministry and the makeup of many pastors combine to the effect that pastors often do not invest sufficient time and energy in developing themselves personally in holistic ways. Sometimes pastors do not take needed personal time, feeling responsible for ministry 24-hours-a-day, almost always on call, rarely finding two consecutive days of rest, and finding holidays full of extra activity. One way to encourage pastoral renewal and growth is for the Congregation to have a Sabbatical policy and to fully support and implement it, to bless the Pastor and his/her family, and the Congregation.

Sabbatical leave is qualitatively different from "time off" or "vacation" for the Pastor in that there is a plan for personal and professional renewal and a strategy for disengaging from daily tasks so that ministry may be viewed from a new perspective. The general goal of the Sabbatical is to allow the Pastor to return to responsibilities with renewed energy, spiritual vision, and to promote a stronger and revitalized relationship between the Pastor and the Congregation for the future.

5.0 FORMS. Refer to Ascension Foundation documents for Pastoral Sabbatical grant request forms.

6.0 PROCEDURES

6.1 Timing for Sabbatical is in the seventh (7th) year of full-time service and again at seven-year intervals from the date of the most recently completed Sabbatical for that Pastor. For the purposes of this Sabbatical Policy, “years of service” are calculated from the date the rostered Pastor began continuous, full-time service for Ascension Evangelical Lutheran Church. The timing of a specific Sabbatical can be adjusted at the discretion of the Congregational Council in consultation with the Pastor. The Sabbatical Policy shall be included in a Letter of Call to any full-time Pastor called to the Congregation.

6.2 The duration of the Sabbatical is up to three (3) months. Vacation time is not included in Sabbatical time and can be granted as in any other year. During the year of a Pastor’s Sabbatical, the Pastor will not take an extended continuing education time, other than one- or two-day events. With the approval of the Congregational Council, the Sabbatical could be split into two blocks of time, which do not have to be consecutive, but would be taken within a twelve-month period from the beginning of the first block of time.

6.3 The Pastor receives full salary and benefits during the Sabbatical leave of absence.,

6.4 Funding for the Sabbatical is achieved as a partnership between the Congregational Council and the Pastor by seeking endowment funds and scholarships, congregational gifts, and applying continuing education funds for the year in which the Sabbatical occurs. A dedicated fund for Pastoral Sabbaticals is established within the Ascension Foundation. The Pastor is responsible for timely submitting applications for Ascension Foundation and other grants. Pastors are encouraged to apply for grants outside of the Congregation; those applications often need to be completed a year or two before the Sabbatical.

6.5 Monies designated in the annual church budget for Sabbaticals will be divided and distributed evenly between the Pastors of the Congregation. Additional, individual gifts given to the Sabbatical Fund generally shall be similarly divided and distributed evenly between the Pastors. Under the guidance of the Finance Committee and the Treasurer, the Director of Administrative Ministries will establish sub-accounts for each Pastor’s portion of annual budgeted and generally gifted Sabbatical monies. For example, if there are three pastors, there will be three sub-accounts and each pastor would receive up to one third of the available annual budgeted funds and general gifts for Sabbaticals.

6.6 Under the guidance of the Finance Committee and the Treasurer, the Director of Administrative Ministries will move the proportional share of budgeted funds and general gifts for Sabbaticals to each Pastor’s sub-account at the end of each fiscal year.

Individual gifts to a specific Pastor shall be recorded in that Pastor's Sabbatical sub-account. Expenditures exceeding available funds from the Foundation, outside grants, and/or the Pastor's Sabbatical sub-account shall be the responsibility of that Pastor.

6.7 Prior to an approval of any Sabbatical, a summary of available funds should be reviewed and approved by the Church Council. This summary of available funds would include grants from the Ascension Foundation and/or other organizations, separate gifts and the funds in the Pastor's Sabbatical sub-account.

6.8 The Pastor should include his/her family in all aspects of Sabbatical planning and the family should participate in the Sabbatical itself as is possible and appropriate.

6.9 The Pastor's Sabbatical agenda should be shared with the Council and congregation before the Sabbatical commences. The agenda should include a balanced portfolio of activities designed to provide the Pastor with personal renewal and refreshment and educational and professional growth opportunities. It is expected that approximately one-third of the Sabbatical time will be spent in educational and professional growth that will be of benefit to the Congregation. One helpful model of Sabbatical time is one-third rest and relaxation, one-third study in a Pastor's area(s) of interest, and one-third study that would bless the life of the Congregation. The Sabbatical should provide stimulation for pastors to continue their spiritual and mental growth by contact with scholars, teachers, pastors, mentors, and others, so as to grow in their own ministries.

6.10 The Congregation should participate in the Sabbatical process. The Congregation should be active in the sending out and receiving back of the Pastor and his/her family. During the Sabbatical, it is expected that the Pastor will be away and may not be in active communication with the Congregation. The Congregation will offer encouragement by word and deed to those who lead the church in the Pastor's absence. Most importantly, the Congregation and the Pastor commit to pray for each other regularly.

6.11 Pastors having received a Sabbatical will return to the Congregation for at least one year of full-time pastoral service after the Sabbatical concludes unless noted otherwise in the shared planning with the Mutual Ministry Committee and the Congregational Council.

7.0 PROCESS

7.1 The Congregational Council monitors Pastoral call intervals and manages a master schedule outlining when Sabbatical leaves of absence will occur. The Congregational Council will also plan ways to help the Congregation be in a time of renewal and refreshment during the Sabbatical time.

7.2 The Mutual Ministry Committee includes in its purpose helping the Pastor plan, fund, and achieve a satisfying Sabbatical. This committee will also be an advocate to speak on the Pastor's behalf to educate the Congregational Council and Congregation about

the rationale and need for Sabbaticals and their funding.

7.3 The Mutual Ministry Committee works with the Pastor to develop and mutually agree upon a Sabbatical plan. The Sabbatical plan should be presented and approved by the Council prior to the Sabbatical. The plan is to be intentional, but allow enough freedom to change direction or let go of an old dream if a new vision emerges while planning. The plan will include:

- personal objectives and ministry objectives
- descriptions of the major elements of the learning experiences
- specific competencies, abilities or skills hoped to be acquired
- problems that need to be resolved before going and possible proposed solutions
- how current job responsibilities are to be handled while on leave and any budgetary implications
- family issues related to the Sabbatical.

Planning should begin at least a year before the Sabbatical is to take place.

7.4 The Mutual Ministry Committee works with the Pastor to communicate Sabbatical plans to the Congregation and ensure that people broadly understand the purpose and benefits of the Sabbatical.

7.5 The Mutual Ministry Committee works with the Pastor to identify and provide sufficient professional coverage (e.g. interim Pastor, supply preaching, lay volunteers) for the Church during the Sabbatical. These arrangements should be in place three months in advance of the Sabbatical and approved by Church Council before the Sabbatical begins.

7.6 The Congregation will give appropriate recognition to both the commencement and conclusion of the Sabbatical period, including blessings and thanksgivings.

7.7 The Pastor is responsible for the costs of tuition, books, supplies, travel, and living expenses while on Sabbatical, though funding should be available from the sources described in this Policy on Pastor Sabbaticals. The Pastor may request the Mutual Ministry Committee's assistance in obtaining funds for unusual expenses. Upon completion of the Sabbatical, the Congregational Council will review all paid expenses and make any necessary recommendations to the Pastor and the Mutual Ministry Committee.

7.8 After the Sabbatical, the Pastor returns to the daily ministry of the Church. The Pastor will find appropriate ways to share his/her Sabbatical experiences with the Congregation. The Pastor will submit a written report and evaluation of the Sabbatical to the Mutual Ministry Committee and the Congregational Council within a month after completing the Sabbatical. The Congregational Council should provide feedback and/or

an evaluation of the Sabbatical experience. Within two months of returning, the Pastor will meet with the Mutual Ministry Committee and pastoral staff to review and evaluate the experience for both Pastor and Congregation. The written report will be appended to the Pastor's annual Continuing Education Report to the Bishop.

RESOLUTION NO. 2011/12.04 ASCENSION LUTHERAN CHURCH COUNCIL

TITLE: Thrivent Choice Resolution

SUBMITTED BY: Immediate Past President

DATE: December 21, 2011

RESOLVED, that this Resolution, dated Dec 21, 2011, supersedes the resolution dated Dec 8, 2010

RESOLVED, that within the month following each quarter (October, January, April, July) the Council will allocate any of the monies available from the Thrivent Choice Program as long as the total in the account exceeds $100. This process will be maintained as long as the Thrivent Choice program continues and monies are allocated to ALC.

RESOLVED, The ALC Council will consider recommendations for Thrivent Choice dollars from the pastors and staff, ALC congregation members and ALC missions, committees, or groups. Recommendations will be provided to either the Senior Pastor or ALC President via email or other means, with the appropriate supporting information necessary for consideration.

RESOLVED, the recommendations for Thrivent Choice dollars allocations for the prior quarter will be discussed at a meeting of the Senior Pastor and ALC President prior to submittal to ALC Council.

RESOLVED, The Senior Pastor/President will prioritize the recommendations at this meeting and the ALC President will present the prioritized list for discussion and approval at the ALC Council following the end of each quarter.

RESOLVED, the president or treasurer will verify with the finance director the dollar amount available from the previous quarter, prior to council vote.

RESOLVED, that by majority vote, the ALC Council will approve the allocation of the previous quarter Thrivent Choice dollars to one or more ALC missions, committees, or groups.

PROCESS CLARIFICATION:

In order to avoid extended discussion or committee work during council meeting, suggested recommendations for Thrivent Choice Money allocation should be provided to the council in written form with appropriate justification and background information. An early vetting of the recommendations could be done during the monthly Senior Pastor/President planning meeting for upcoming council.

In the event that multiple allocation recommendations are made, the specific amount and Ascension organization should be listed and prioritized. If durable or capital goods are to be purchased, estimates for items should be included with the documented recommendations. Ascensions mission statement reinforces that we are called to create opportunities for all people to become devoted followers of Christ. We are blessed with internal church groups, activities and

functions that continue to be funded and growing. Therefore the council would consider ALC Thrivent Choice dollar recommendations to support local area charities and other struggling Lutheran churches and organizations *through* our ALC committees as outreach toward our Mission statement. External Thrivent Choice dollar donations would be made in the name of the ALC organization, and monies would be allocation from the Thrivent Choice holding account to the internal organization where a check could be processed.

BACKGROUND INFORMATION:

Each year, Thrivent Financial for Lutherans provides millions of dollars to help congregations, communities, and individuals in need. The Thrivent Choice^{SM} program offers two ways members can help choose where to direct some of Thrivent Financials charitable outreach funds. Some members can participate in both, based on eligibility.

The Choice Dollars^{SM} program allows eligible members to direct Choice Dollars, based on their insurance premiums, contract values, and Thrivent Financial volunteer leadership. Choice Dollars can be directed to registered Lutheran organizations nationwide, including our local congregation.

Directed Choice Dollars are sent to the church electronically. These funds are sent in lump sum with a listing of Thrivent members participating in this month's allocation; these amounts are not broken down by individual Thrivent member. Because of this practice, funds cannot be specifically designated to a cause within ALC by the Thrivent member. Monies sent to Ascension Lutheran church are held in a separate account within the general fund.

The special needs of missions, groups, or committees of Ascension Lutheran Church can be brought to Council at any time for consideration.

BUDGETARY IMPLICATION: No financial hardship noted as all monies are contributed directly by the Thrivent organization. The longevity of the Choice Dollars^{SM} program and the continued allocation to ALC is unknown. Thrivent Financial reserves the right to end the program at any time. Thrivent members can re-allocate their monies to other Lutheran organizations at any time.

--	Initial Release – Resolution 2011/12.04	ALC Council	12/21/2011

SUBJECT: **Credit Card Statements** **P&P 4.2**

1.0 PURPOSE

The purpose of this procedure is to define the handling of the monthly credit card statements.

2.0 SCOPE

To define the responsibilities of the credit card holders for the monthly statements.

3.0 PROCEDURES

Credit card statements will be provided to each individual holder on a monthly basis. When statements are received, they need to be reviewed within three (3) to four (4) days. Statements not submitted in a timely manner to accounts payable result in extra work for Ascension's Finance Office Staff.

For each charge on the statement, the following must be included when submitting the statement for payment:

- a notation with the reason for the charge,
- the budget to which it should be charged, and
- an attached receipt.

All charges made to the credit cards must be for items within the budget. The individual approving that charge will need to initial the budget charge item on the statement. Personal charges are not to be made on these corporate cards. Each supervisor is responsible for reviewing their direct report's statements.

Although these cards are intended as a convenience, they are not intended to replace the check request or purchase order process. In order to stay within the limit of the card, it is advisable to use check requests and purchase orders whenever possible, leaving the line of credit available when the situation necessitates the use of a credit card.

SUBJECT: **Gifts-in-Kind** **P&P 4.3**

All gifts-in-kind should be donated to the church through the Director of Administrative Ministries or through a pastor. Direction will be provided to assist with the donation. The Director of Administrative Ministries or pastor will determine:

- if the gift is useful to the church directly
  OR
- if it is something that the church can sell on behalf of the donor with the proceeds being retained by the church

If one of the above is true, the gift may be accepted and a receipt can be given to the donor for the item. A value is not placed on the gift by the church and for that reason, an amount is not entered against an individual contribution record. Only the Director of Administrative Ministries or a pastor can issue a donation receipt of any kind or letter acknowledging the gift-in-kind. All gifts, once given, are the property of Ascension Lutheran Church, to be used at the church's discretion.

Cash or checks brought into the office to from individuals attending a ministry event will be gathered and noted for the ministry group. It is the ministry group leader's responsibility to submit an ALC Cash Receipt once all monies have been collected.

Cash or checks for facility rentals are given to the office staff. Upon receipt, the office staff member counts the cash or checks, ensures the memo line is filled in on a check before issuing a three-part receipt for the incoming cash/checks. The original receipt is given to the person delivering the cash/checks, the office staff member sends a copy to the Finance Office with the payment, and a copy is retained by the office staff in the receipt book.

Cash and checks are secured and deposited weekly.

1.0 PURPOSE

To count and deposit the weekly church contributions.

2.0 SCOPE

This procedure defines the process for collecting, counting, recording, and depositing the weekly church offerings.

3.0 REFERENCES

4.0 FORMS

1. Bank deposit forms
2. Ascension Lutheran Church Offering Report(s)

5.0 Overview

- The counting is to be done as close to the completion of the week's service(s) as possible.
- Counting should be done by two Finance Counters at all times--do not count the offering by yourself.
- The offering should not be taken home to be counted.
- The bank deposit should be made as soon as the counting is completed, with no stops between the church and the bank.
- The location of the count room is not well known. For safety reasons, we would like to keep it that way.
- Collect the offering
- Count the offering for the week's worship services together, in aggregate, unless the Pastors or Counters determine additional offering count(s) should be completed for the week.
- Separate collected offering into categories (checks inside of regular offering envelopes, cash inside of regular offering envelopes, loose checks, loose cash/coin, and offering envelopes specifying non-general fund or special donations)
- Count offerings by above categories, recording category totals on the count sheet(s)
- Prepare a deposit slip, a deposit pouch and deposit offerings into current bank.

You should have one count sheet and one deposit slip for each counting completed.

6.0 Procedures

6.1 Pick up the offering:
Collect offering from secured locked receptacles in the church and bring to the counting room If you cannot immediately start to count the offering, secure the collected offering in the locked cabinet or safe.

6.2 Separate the offerings into categories:
Open the bag containing the offering, and as you pull each item out of the bag, place the item into one of the following piles:

Envelopes for regular offerings that contain checks
Envelopes for regular offerings that contain cash
Envelopes for offerings designated for items other than general funds
Loose cash/coins
Loose checks
*See separate procedures at end of this memo for donations to entities other than Ascension Lutheran Church

6.3 Count the offering:
For each of the above categories, count the offerings and write the total on the count sheet for that category.

Helpful overall hints:

- Do one category at a time.
- It is easiest to start with the regular offerings that contain checks.
- It is also helpful to open all envelopes in each category, so that if you've placed an envelope in the wrong category, you can move it before you've filled out your count sheet.
- Be sure your calculator has the Item Count turned on—you'll need it to indicate on the deposit slip how many checks you are depositing.

How to count the offering, by category:

Fill out the date counted and the counter names on the count sheets. In the "Service" space on the count sheets, fill in the service date(s) and time(s) for the period of the offering being counted and reported.

6.3.1 Envelopes for regular offerings that contain checks:

- Open each envelope.
- Be sure the amount of the check is written on the envelope. If not, write it yourself on the envelope.
- Place the opened envelope in one pile, and the check in another. Keep both the envelopes and checks in the same order (in case you don't balance later—makes finding mistakes easier).

- Make a copy of all checks (you can fit 3-4 on a page), making sure the donor name/address, and check amount is copied.
- When all envelopes are opened, run a calculator tape of the amounts shown on the envelopes. Keep the tape, and wrap it around the envelopes.
- Run a calculator tape of the checks. Keep the tape, and wrap it around the checks.
- The tape total of the envelopes should match the tape total of the checks. If it does, you have balanced and can write the total on your count sheet, in **Section "F".**
- If the totals do not match, go back and compare your envelope tape with your check tape—identify differences and make corrections. Both tapes totals must match before you write anything on the count sheet
- Endorse the checks for deposit at the bank then currently used by Ascension Lutheran Church
- You are now done with the regular offering envelopes that contain checks!

6.3.2 Envelopes for regular offerings that contain cash:

- Open each envelope.
- Be sure the amount of the cash is written on the envelope. If not, write it yourself on the envelope.
- Put a "C" in the lower right corner of the envelope. This designates that the offering was received in cash.
- Place the opened envelope in one pile, and the cash in another.
- When all envelopes are opened, run a calculator tape of the amounts shown on the envelopes. Keep the tape, and wrap it around the envelopes.
- Count the cash.
- The tape total of the envelopes should match your count of the cash. If it does, you have balanced and can write the total on your count sheet, in **Sections "D" for coins and "E" for cash**.
- If the totals do not match, go back and compare your envelope tape with the amounts written on the envelopes—identify differences and make corrections. Both totals must match before you write anything on the count sheet
- You are now done with the regular offering envelopes that contain cash!

6.3.3 Envelopes for offerings designated for items other than general funds (these would be donations designated as special donations for such things as Altar Flowers, Special Music Events, Easter Lilies, Christmas Poinsettias, Monthly Special Benevolences, etc.)

- Open each envelope.
- Be sure the amount of the check or cash is written on the envelope. If not, write it yourself on the envelope.

- Put a “C” in the lower right corner of the envelope if the donation is cash, to designate that the offering was received in cash.
- Place the opened envelope in one pile, the checks in one pile and the cash in another. Keep both the envelopes and checks in the same order (in case you don’t balance later—makes finding mistakes easier).
- Make a copy of all checks (you can fit 3-4 on a page), making sure the donor name/address, and check amount is copied.
- Write each offering (name of donor, amount, and what the donation is for) separately on the count sheet in **Section “M”** under “Summary of Other/Special Offerings”. This is the only kind of offering you must separately list by donor. If the offering is cash, place the amount in the Currency or Coins columns. If the offering is a check, place the amount in the Checks column.
- When all envelopes are opened, run a calculator tape of the amounts shown on the envelopes. Keep the tape, and wrap it around the envelopes. This total should match the total of columns “J”,”K”, and “L” on the count sheet.
- Run a calculator tape of the checks. Keep the tape, and wrap it around the checks. This total should match the total of column “L” on the count sheet.
- Count the cash and coin. Keep it in a separate pile (don’t co-mingle it with other cash yet). This total should match the total of column “J” and “K” on the count sheet.
- If the column totals do not match your calculator totals, go back and compare your envelope tape with your checks—identify differences and make corrections. Both totals must match before you write anything on the count sheet
- Bring the totals of **columns “J”, “K” and “L”** into the recap section of the count sheet—**record them in columns “G”, “H” and “I”.**
- Endorse the checks for deposit at the bank then currently used by Ascension Lutheran Church.
- You are now done with the offerings designated for items other than general funds!

6.3.4 Loose cash and coin:

- Because there is no envelope, and therefore no way to identify the donor, there is no envelope to “balance” to.
- Separate the cash and coin.
- Count the cash.
- Count the coin.
- Write the total on your count sheet in **Section “A” for coin and “B”** for cash.
- You are now done with the loose cash and coin!

6.3.5 Loose checks:

- Although there is no envelope, because the donation is a check we know who the donor is.

- Make a copy of all loose checks (you can fit 3-4 on a page), making sure the donor name/address, and check amount is copied.
- Run a calculator tape of the amounts shown on the copies of the checks. Keep the tape, and staple it to the copy of loose checks.
- Run a calculator tape of the checks. Keep the tape, and wrap it around the checks.
- The tape total of the copies should match the tape total of the checks. If it does, you have balanced and can write the total on your count sheet in **Section "C".**
- If the totals do not match, go back and compare your copy tape with your check tape—identify differences and make corrections. Both tapes totals must match before you write anything on the count sheet
- Endorse the checks for deposit at the bank then currently used by Ascension Lutheran Church.
- You are now done with the loose checks!

6.3.6 **Offerings that have both cash and checks in them or that designate more than one fund** (example: one check for $50 that indicates $40 is for general funds, and $10 is for Altar Flowers)

- These items are accounted for in Section "M" of the count sheet.
- Indicate on the envelope what is inside (example: $50 check allocated to $40 general funds and $10 Manna)
- Follow the same procedures for offerings designated for items other than general fund
- Be sure to identify in the "category" section of the count sheet what the donation is for (you may have to split the category section in half for a single contributor—see example)

6.3.7 Prepare the deposit slip:

- Always prepare the deposit slip from the checks/cash/coin tape totals, and not from the count sheet.
- Checks: take each batch of checks from the various count categories, and write the batch total on the deposit slip. Label each batch as "A", "B", etc.
- Checks: also note the number of checks on the deposit slip (from your item count on your calculator tapes)
- Cash: co-mingle all cash, recount all cash together and write that total on the deposit slip.
- Coin: co-mingle all coin, recount all coin together and write that total on the deposit slip. Place the coins in a small brown envelope (so they don't spill out of the deposit bag)
- Add the totals of all items listed on the deposit slip. Compare that total to the total of all offerings on the count sheet.

- If the totals do not match, go back and compare your count sheet totals to your check tape—identify differences and make corrections. Both totals must match before you finalize your deposit slip.
- If the totals match, you are done.
- Place the counted offering deposit(s) along with the deposit slip(s) into a white envelope, and seal it. On the outside of the envelope(s), indicate the dates covered by the offering in the envelope. If more than one envelope is needed, include the dates covered on each envelope and number the envelopes sequentially, e.g.1 of 3, 2 of 3, 3 of 3.
- Place all white envelopes into a single plastic bank envelope. Tear off top stub of envelope (with number on it), and place stubs with count sheets.
- Take the deposit to the bank then currently used by Ascension Lutheran Church, and you are all finished!

6.3.8 Exceptions:

There may be items placed in the offering along with worship offering that are not to be included in the offering counting and are not to be deposited with the offering deposit. These gifts may be checks or cash in envelopes or may be loose checks. If donations for groups other than Ascension Lutheran Church are found in the offering, keep these gifts/envelopes intact, place them securely in a locked receptacle in the counting room and promptly notify the Finance Office. The Finance Office will be responsible for appropriately handling these kinds of gifts. Examples include:

- Ascension Lutheran Church Foundation
- Lutheran Social Services
- Any gift for an entity other than Ascension Lutheran Church

6.3.9 Helpful Suggestions:

- Pastor gifts: At year-end, we receive donations towards pastor gifts. It's often easier to accumulate all pastor gifts received during a weekend, and make a separate count sheet and deposit slip. Treat them like any other offering, using the same procedures as for any worship service. Deposit it along with our other offerings at the bank then currently used by Ascension Lutheran Church.
- Get something you don't know what to do with….leave it intact and on the counting table with a note and let the Finance Office handle it.

II. RESPONSIBILITIES OF CHAIRPERSON:

- Chairs the Finance Committee meetings and assists with the review of ALC Church, School and Foundation financial results quarterly. Prepares minutes from the Finance Committee meeting to include in the monthly ALC Council packet;

- The annual auditor's findings and recommendations will be discussed in the Finance Committee meeting that follow receipt, and comments and recommendations from the Finance Committee will be sent to the Finance Director to include in the Treasurer's Report for ALC Council;

- The Finance Committee Chair will be elected by the congregation for a two year term, that can be extended with congregational approval for a second consecutive term;

- Helps build ministry by nominating new committee members for ALC Council approval, with the help from the ALC Congregation, ALC Council and Pastors.

III. RESPONSIBILITIES OF FINANCE DIRECTOR:

- The Finance Director is the central staff contact for financial reports and questions pertaining to ALC Church, School and Foundation and is responsible to be informed on financial matters;

- The Finance Director will be responsible to provide to the Church Treasurer monthly highlights and summary reports for the ALC Church and School, and quarterly for the Foundation along with the Shelby detail for the Church and School prior to submittal for inclusion in the ALC Council packet;

- The Finance Director will update the Treasurer's report summaries quarterly following the Finance Committee meeting to reflect the revised annual projections for the current Fiscal Year for the ALC Church, School and Foundation that will be included in the Treasurer's Report for ALC Council;

- The second vote would be for the issue at hand and a majority vote would be necessary to pass.

- All Finance Committee voting members will be expected to participate in electronic voting, unless there is special circumstance.

VII. AMENDMENTS:

- The Finance Committee Operations statement shall not be amended except upon approval by ALC Council. This Finance Committee Operation statement was adopted by the ALC Council on December 21, 2011.

BACKGROUND INFORMATION:

ALC has grown as a congregation, now having a Finance Director and three entities that the ALC Council provides oversight. The existing statements indicate that the Finance Committee manages the finances of the congregation, receiving contributions and disbursing money through the church controller. The Finance Committee also prepares budget guidelines and assists church entities in financial matters.

A Finance Committee Operations statement will better define the requirements and budget review process and ALC Council reporting for both revenue and expense; it will outline the responsibilities of the Finance Committee chair to review the budget and revenue projections from Church, School, and Foundation for Council annually; and it will also establish the role of the Finance Committee as the financial leadership at ALC to support the ALC Council.

Recruiting should be made easier with processes and operations clearly defined and communicated. This should enhance our ability to obtain the highest quality financial leaders of our congregational by adopting this Finance Committee Operations statement showing clear support of ALC Council in defining the role, processes and expectations of the Finance Committee.

#1	**1st Revision to Update Initial Release; P & P 4.9 - Final**	**ALC Council**	**12/14/16**
Revision 2	**2nd revision to update frequency and logistics**	**Approved by FC 5/16/22**	

BACKGROUND:

Checks are processed by end of business each Tuesday by the accounts payable staff member. Every effort will be made by the Church staff to obtain invoices for payment, and to adhere to this weekly schedule for processing checks.

Processed checks will be signed each week on Tuesday evening or Wednesday by the Church Treasurer. The President will sign checks when the Church Treasurer is unavailable, and the President Elect will sign checks if both the Church Treasurer and President are unavailable. All signed checks are mailed once a week on Thursday morning unless a pick-up time or other arrangements has been made.

PROCEDURES:

Check Request & Approval Procedures

Prior to being processed, check requests must use the Check Request Form. The Check Request Form must have the name and signature of an authorized check requester, as stated on the Payment Authorization Matrix (Attachment 2), along with supporting documentation to verify the accuracy and appropriateness of the request. A W-9 must be on file for all individuals requesting payment other than expense reimbursement.

Only the authorized check requestor's signature is required for check requests that are within budget.

A staff member appointed by the Director of Finance will validate each check request to ensure all information is completed. When the check request puts the ministry over budget or the request is for a non-budgeted item, the payment must be approved by a Pastor or Director. Check Request Forms meeting these criteria will be referred first to the Pastor on the Payment Authorization Matrix. If the pastor overseeing the ministry is unavailable or happens to be the check requestor, then the Check Request Form will be referred to another Pastor or a Director.

Review Requests & Signatures Procedures

The Church Treasurer will be notified by a member of the Finance staff each Tuesday of the total funds required for the check run. The Church Treasurer will ensure that adequate funds are available before signing the checks. The Church Treasurer will review each Check Request Form for name and signature of the requestor, and other necessary information on the Check Request Form for each check, including a Pastor's or Director's signature when the check request exceeds budget or is a non-budgeted item. Checks will be routed back to the account payable staff member if they do not have the appropriate signatures.

Accompanying each check run, there must be a detailed list of each check from Shelby as well as a total sheet matching the Shelby total, and accounting for each check number for the Church Treasurer to reference when reviewing and signing checks. Checks will be placed in an assigned cabinet and picked up by an accounts payable staff member to prepare envelopes and mail checks on Thursday morning, unless a pick-up time or other arrangements have been made.

CHURCH ADMINISTRATION: Check payees identified as standard monthly checks on Attachment 3 do not require a Check Request Form. Recurring invoices from vendors listed on attachment 3 may be stamped listing the Received date, General Ledger #, and signature of Approver

Church issued credit cards for Pastors and ministry staff authorized by the Church Council will need to be reviewed by the Director of Administrative Ministries or directing Pastor to ensure the expenses only relate to expenses within the card owner's Church position and responsibilities. All issues or expense discrepancies will be brought to the attention of the card holder, and as needed, the Senior Pastor for discussion.

PAYMENT AUTHORIZATION MATRIX:

The Payment Authorization Matrix should be reviewed by Finance and updated as needed based on changes for Ministry Chairperson/Staff or Pastor Approver assignments.

SUBJECT: Credit/Debit Card System Policy & Procedure P&P 4.11

1.0 PURPOSE

The purpose of this document is to establish the policy and procedures for use of the Credit/Debit Card System and Service within Ascension Lutheran Church (ALC). The Credit/Debit Card System and Service uses equipment purchased by Ascension Lutheran Church and the processing services from the company selected by Ascension's Director of Administrative Ministries. The Credit/Debit Card System and Service are available for use by Ascension Lutheran Church and any ministry or group of Ascension Lutheran Church. (Ascension Lutheran School has its own credit/debit card system, equipment and account). The Credit/Debit Card System and Service will support fundraising and ministry activities. Fundraising activities serve at least two important purposes. First, they highlight the specific mission, importance, and needs of the organization which is raising the funds. Second, they help to build community within the church and enthusiasm for its ministries. Fundraising activities also help build community within the Conejo Valley in conjunction with certain events open to and publicized for local community participation. Ministry activities includes such things as the sale of books to be used in conjunction with worship and education, the sale of tickets to special dinners and events and the sale of service project items.

2.0 POLICY

2.1 The Credit/Debit Card System and Service is available for use by Ascension Lutheran Church and its ministries and groups consistent with this Policy and Procedure 4.11 and other applicable Policies and Procedures of Ascension Lutheran Church.

2.2 Use of Credit/Debit Card System and Service will follow financial policies and procedures of Ascension's Finance Office under the Director of Administrative Ministries. Ascension's Finance Office will be the point of contact for the credit card processing service company.

2.3 Use of the Credit/Debit Card System and Service will require that funds be available to pay applicable monthly and transaction-based charges.

2.4 Fundraising events and activities using the Credit/Debit Card System and Service shall be consistent with established Fundraising Policy and Procedure 3.1.

3.0 PROCEDURES

3.1 The Credit/Debit Card System and Service consists of 2 iPad "Air" tablets, 2 Otterbox "Defender" protective cases for the iPads purchased by Ascension Lutheran Church at competitive market prices from a retail store and at least 2 card scanner devices purchased from the credit card processing service company at prevailing prices. Grant funds received from Ascension Lutheran Church Foundation were used to purchase the necessary hardware (IPads, Protective Cases and Card Scanners).

3.2 The Credit/Debit Card System equipment will be securely stored and maintained in the Ascension Lutheran Church Office as determined by the Director of Administrative Ministries.

3.3 Those wishing to use the Credit/Debit Card System will be required to sign-out the equipment prior to use. The equipment will be returned promptly after use (e.g. the first

business day following use). A log will be maintained of use, including user name, organization, purpose and dates of use (sign-out and sign-in). (The user log will be similar in format and content to Attachment A to this Policy and Procedure 4.11) It is the responsibility of the group wishing to use the Credit/Debit Card System to notify the Director of Administrative Ministries or the Director's designate in advance of the dates they wish to use the equipment.

3.4 Groups using the Credit/Debit Card System are responsible for securing the equipment while in their use and for returning the equipment in good working order.

3.5 Groups using the Credit/Debit Card System shall have sufficient funds in their ministry budgets to pay for associated monthly and transaction-based fees not otherwise covered by funds collected as the convenience fee or surcharge. (The convenience fee, currently 2% of each transaction total, is subject to change by the Director of Administrative Ministries). Monthly fees would be pro-rated among groups using the Credit/Debit Card System in the applicable month(s). If such funding is not available through the established annual budgeting process, groups shall undertake their own fund-raising activity (consistent with established Ascension Fundraising Policy and Procedure) to raise funds to pay for applicable Credit/Debit Card processing charges.

3.6 All ALC Groups using the Credit/Debit Card Program will apply the same convenience or surcharge fee for all transactions. The convenience or surcharge fee, currently 2% of each transaction total amount, is subject to change by the Director of Administrative Ministries. Monies collected as the convenience or surcharge will be retained in a separate credit/debit card impound account. A printed chart listing the 2% fee (for amounts from $0.00 to $150.00) is included and kept with the credit card equipment. The surcharge fee shall be reviewed annually in conjunction with the ALC budget development process and if determined necessary, adjustment will be made for prospective use. Point of sale notices and the printed convenience fee schedule will be updated when changes to the convenience fee are made. In the event the annual review indicates a substantial excess of funds in the credit/debit card impound account for payment of transaction fees beyond an amount reasonably needed for upcoming year's use, the applicable ALC groups will be advised and asked to consider donating such excess funds for special ALC programs or ministries.

3.7 All ALC Groups using the Credit/Debit Card Program will communicate clearly to all credit/debit card users the applicable convenience or surcharge fee. Communication about the convenience or surcharge fee should be included in promotional notices and invitations as well as verbal and written communication at point of sale.

3.8 ALC Finance Office will handle booking funds associated with the convenience or surcharge fee as well as booking revenues to the applicable ALC group or ministry's account(s). ALC Groups using the credit/debit card program shall be responsible for monitoring their use of the credit/debit card program and related accounts

3.9 All those using the Credit/Debit Card System will be first trained on its use by the Finance Office or by members of their group who are experienced in using the equipment.

3.10 Purchases using the Credit/Debit Card System will reflect the following notation on the purchaser's applicable credit/debit card service monthly statement: "Ascension Lutheran Church and School"

3.11 Purchasers will have the option of having a receipt emailed to them.

3.12 Purchasers' receipts will include a Thank You message such as "Thank You For Supporting Our Ministries" or such other message as determined by Ascension's Finance Office.

3.13 At all times, use of the Credit/Debit Card System is an option made available to the Ascension Community in support of its ministries and groups. Cash and checks for purchase payment will always be accepted.

3.14 Use of the Credit/Debit Card System & this Policy & Procedure governing its use may be changed, at the direction of the Director of Administrative Ministries and the Finance Office, based on actual implementation or other reasonable basis for modification.

3.15 The credit card processing service selected for use shall provide that Ascension's Finance Office (or other representative designated by the Director of Administrative Ministries) receives email receipts or other electronic notification of each transaction using the service.

SUBJECT: One Ascension Asset Preservation Fund **4.12**

1.0 PURPOSE. The purpose of this policy is to establish parameters, guidelines, and procedures for the administration of the One Ascension Asset Preservation Fund. The fund shall be established with contributions from the Church (ALC), Early Childhood Center (ECC), and School (ALS) and held by ALC in a dedicated fund until a need is determined by the distribution committee and approved by the distribution committee to be spent.

A corresponding policy can be found in the School Board Handbook.

2.0 BACKGROUND AND RATIONALE. The various entities of Ascension utilize a campus that requires both routine maintenance and periodic investment into the asset. Routine maintenance items should be expensed from the general budgets of the entities involved. Funds held in the One Ascension Asset Preservation Fund are to be used for non-routine asset improvement and capital expenditures.

3.0 INVESTMENTS

ALC, ALS, and ECC shall each accrue $25,000 in July of each fiscal year into a reserve account held by their respective entity. They shall then evaluate their financial position at the end of each fiscal year. Provided that each entity has a zero or surplus position at year end, the reserve accounts will then be transferred to the One Ascension Asset Preservation Fund held by ALC.

In the event of a consolidated net deficit for ALS and ECC, neither entity would be required to fund the One Ascension Asset Preservation Fund for that year.

The Church Council or School Board may designate additional or discretionary cash into the fund at any time they discern. Individuals such as church members or school families can designate a gift into the fund at any time.

--

4.0 DISBURSEMENTS

The distribution committee shall consist of the Senior Pastor, Director of Administrative Ministries, School Principal, and Early Childhood Center Director. In the event of a split vote the distribution committee may bring the proposal to the council to deliberate. Items for consideration must improve or maintain the campus (as referenced in 2.0 above) in a significant manner.

Any and each of the committee members may propose an improvement to the other group members. The group should deliberate about the issue, the proposed solution, and other

possible solutions before voting to utilize funds from the One Ascension Asset Preservation Fund.

5.0 DOCUMENTATION

The finance staff shall be responsible for recording expenses approved by the committee, and reporting the available fund balance at periodic intervals. Upon each approved disbursement by the committee, the finance staff will provide a brief description of the approved expenditure and remaining balance in the next School Board and Church Council meeting packets.
